SECTION 4.01 DEFINITION OF A GRIEVANCE

A grievance is a claimed violation, misinterpretation, inequitable application of, or non-compliance with, a specific provision of this Memorandum of Understanding, or any disputed disciplinary action against an employee or employees covered by this MOU.

SECTION 4.02 ASSOCIATION AS THE GRIEVANT

The Association may be the grievant.

Process: When the Association is the grievant the Association shall file the first step with the Human Resources Officer (HRO). The Association shall submit the grievance in writing. The written grievance shall state the factual particulars of the matter, any provision(s) of the Memorandum of Understanding that has allegedly been misinterpreted or misapplied, how the alleged misinterpretation or misapplication has affected the grievant to the grievant's detriment, and the redress sought. The HRO shall meet with the Association representative(s) and respond to the grievance within the proper time limits. The response shall be in writing and set forth the reason(s) therefore. Except as otherwise specified herein, all of the rights, responsibilities and procedures of the grievance procedure apply to grievances filed by the Association. If a grievance is not resolved to the satisfaction of the Association, the Association may submit the grievance in writing to the EO as set forth in 4.05 Step 3 below:

SECTION 4.03 TIME LIMITS

1. The employee and/or the Association must initiate a grievance within thirty (30) working days from the event giving rise to the grievance or from the date the employee could reasonably have been expected to have had knowledge of such event.
2. At each step District representatives shall have fifteen (15) working days from the filing of the grievance to meet with the grievant and Association representative(s) and to respond to the grievance in writing. In the event that the District fails to respond to a grievance within specified timelines the grievant has the right to continue to process the grievance at the next higher step in the process.
3. If a grievance is not resolved to the satisfaction of the grievant at each step below, the grievant may within fifteen (15) working days, submit the grievance in writing to the next higher step. Failure of the grievant to act within the specified time limits, unless such time limits are extended, shall dismiss and nullify the grievance.
4. These time limits may only be extended by mutual written agreement by the parties.

SECTION 4.04 REPRESENTATION

The Association may represent the employee(s) at any stage of the process contained herein.

SECTION 4.05 PROCEDURE

Grievances filed, except when the Association is the grievant, shall be processed in the following manner:

Step 1: The grievant shall discuss the grievance with his or her immediate supervisor and/or section manager who shall meet with the employee and Association representative(s) and respond to the grievance within the proper time limits as set forth in Section 4.03.2 above. The response shall be in writing and set forth the reason(s) therefor.

Step 2: If a grievance is not resolved to the satisfaction of the grievant in Step 1 above, the grievant may submit the grievance in writing to the HRO. The HRO shall either process the grievance at Step 2 or shall route the grievance to the appropriate Division Director for step 2 processing. The written grievance shall state the factual particulars of the matter, any provision(s) of the Memorandum of Understanding that has allegedly been violated or misapplied, how the alleged violation or misapplication has affected the grievant to the grievant's detriment, and the redress sought. The grievant shall provide a copy of the grievance to the Association. The Division Director or HRO shall meet with the grievant and Association representative(s) and respond to the grievance within the proper time limits. The response shall be in writing and set forth the reason(s) therefor.

Step 3: If a grievance is not resolved to the satisfaction of the grievant in Step 2 above, the grievant may submit the grievance in writing to the EO or designee. The grievant shall provide a copy of the grievance to the Association. The EO shall meet with the grievant and Association representative(s) and respond to the grievance within the proper time limits. The response shall be in writing and set forth the reason(s) therefor.

STEP 3A - REQUEST FOR MEDIATION

If the grievant is not satisfied with the written response of the EO, he/she may within the time limits specified in this Article request that the matter be submitted to Mediation. Mediation shall be by mutual written agreement of the grievant and the EO. If Mediation is not agreed upon, the grievant may proceed to Step 4. If Mediation is agreed upon, within ten (10) working days from receipt of the EO's response, the parties shall request that a Mediator be appointed by the State Mediation and Conciliation Services.

Step 4: If a grievance is not resolved to the satisfaction of the grievant in Step 3 above, the grievant may, within ten (10) working days, submit the grievance to binding arbitration. The rules and procedures of the American Arbitration Association will prevail.

SECTION 4.06 DISCIPLINARY DISPUTES

The decision to proceed to binding arbitration regarding disciplinary complaints shall be at the sole discretion of the grievant.

SECTION 4.07 MOU DISPUTES

An employee or Association claim of an alleged violation of a specific section of the MOU may be submitted to binding arbitration. Such request for binding arbitration shall come only from the Association Board of Directors. An individual member may not file for arbitration on a dispute of the MOU.

SECTION 4.08 REQUEST FOR ARBITRATION

A written request for arbitration shall be submitted to the EO within ten (10) working days following the receipt of the EO's written response as required in 4.05 Step 3 above, or the conclusion of mediation, if mediation does not resolve the grievance to the satisfaction of the grievant.

SECTION 4.09 SELECTION OF AN ARBITRATOR

The District and the grievant(s) will select an arbitrator from the California State Mediation and Conciliation Service. If the grievant(s) is (are) represented by the Employees' Association, then the Employee's Association President or designee and the District will select an arbitrator from the California State Mediation and Conciliation Service. If the parties cannot agree on the selection of an arbitrator, the grievant will request of the California State Mediation and Conciliation Service a list of nine (9) arbitrators. Within ten (10) working days from the receipt of the list of nine (9) arbitrators, each party beginning by lot shall alternatively cross off one name on the list; the first party to cross off a name will be selected by a flip of a coin. The final name left on the list shall be the arbitrator if he/she agrees to serve. If he/she will not serve, the process shall be repeated until an arbitrator is found. The rules and procedures of the California State Mediation and Conciliation Service will prevail.

SECTION 4.10 DECISION OF THE ARBITRATOR

The decision of the arbitrator shall be final and binding on the parties and on any affected employees covered by this agreement. Such decision shall be issued in writing.

SECTION 4.11 FEES AND EXPENSES

The fees of the arbitrator and related expenses shall be shared equally by the District and the grievant.

SECTION 4.12 LIMITATIONS ON ARBITRATOR'S AUTHORITY AND JURISDICTION

The limitations on the arbitrator's authority and jurisdiction are as set forth below:

1. No arbitrator shall entertain, hear, or decide any dispute unless such dispute involves a represented employee and unless such dispute falls within the grievance procedure as set forth in section 4.01 Definition of a Grievance.
2. Any dispute regarding whether an issue is grievable or applicable to arbitration shall be determined by the arbitrator as an initial determination prior to proceeding with the hearing on the merits of the grievance.
3. No arbitrator shall entertain, hear, decide, or make recommendations on any disciplinary action unless such dispute involves a bargaining unit employee who has successfully completed an initial (new hire) probationary period and who has availed him/herself of the response and appeals procedures of the Disciplinary Procedures Article of this Agreement.

ARTICLE V DISCIPLINARY PROCEDURE

SECTION 5.01 PROGRESSIVE DISCIPLINE

In order to maintain the orderly and efficient operation of the District, it may be necessary for District Management to impose discipline on an employee who violates work instructions or District policies and procedures, whose service is unsatisfactory, whose conduct is unacceptable or for other just cause. However, no employee shall be disciplined without just and sufficient cause.

The progressive steps in the imposition of discipline will normally include: (a) informal verbal reprimand, (b) formal written reprimand, (c) warning and one-day suspension, (d) extended suspension and (e) dismissal.

An employee who has been demoted, suspended or terminated from employment may appeal such disciplinary action in accordance with ARTICLE IV of this Memorandum of Understanding. An employee may provide a written response to any written disciplinary action taken against that employee.

SECTION 5.02 GROUNDS FOR DISCIPLINE

9. Unexcused absence.
10. Conviction of a felony or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of the employee's position. A plea of guilty, or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this Section.
11. Discourteous treatment of the public or other employees.
12. Political activity prohibited by state or federal law.
13. Engaging in sexual harassment of another employee or member of the public.

SECTION 5.03 REPRIMANDS

1. The initial step in the imposition of discipline is normally a verbal reprimand. When delivering the reprimand, the supervisor shall identify the action(s) which the employee should take to correct the basis for the reprimand. A verbal reprimand is an informal disciplinary measure and is not entered in the employee's personnel record unless discipline progresses to a written reprimand or beyond.
2. If, after receiving a verbal reprimand, an employee continues to perform his or her work in an unsatisfactory manner, to engage in the same violation of a District work instruction, policy or procedure, or to manifest the unacceptable behavior or conduct for which the employee received the verbal reprimand, the employee's immediate supervisor may either: (i) repeat the verbal reprimand and again identify the action(s) which the employee should take to correct the basis for the reprimand; or (ii) move to the next step of progressive discipline and request the section manager to issue a formal written reprimand.
3. A written reprimand shall document all previously delivered verbal reprimands, shall state the basis for such verbal reprimand(s) and shall specify the action(s) which the employee should take to correct the basis for the formal written reprimand and the possible consequences of a failure by the employee to take such corrective action. A written reprimand is a formal disciplinary measure and is entered in the employee's personnel record.
 - A. If, after receiving a formal written reprimand, an employee continues to perform his or her work in an unsatisfactory manner, to engage in the violation of a District work instruction, policy or procedure, or to manifest the unacceptable behavior or conduct for which the employee received the written reprimand(s), the employee's section manager may either: (i) repeat the formal written reprimand and again identify the action(s) which the employee should take to correct the basis for the reprimand; or (ii) move to the next step of progressive discipline and request the division director to issue a formal written warning and one-day suspension without pay.
 - B. An employee may appeal a written reprimand through the grievance procedure at Step 3. The decision of the EO shall be final. An employee has the right to respond to a written reprimand in writing and to have that response attached to the reprimand in the personnel file.
 - C. If an employee does not receive any discipline more severe than a verbal reprimand for a period of 18 months then all previous written reprimands will be sealed. However, for just cause, the District may open the employee's sealed reprimand file and use any of the contents contained therein on an as needed basis. If the sealed reprimand is opened the employee shall be notified in writing within five (5) working days. The notification shall include the reason for such action.
4. Notwithstanding paragraphs 1-3 of this section, the District has the right to impose more serious discipline or to escalate disciplinary action without satisfying each of the recommended progressive discipline steps.

SECTION 5.04 WARNING AND ONE-DAY SUSPENSION

If, for good cause shown, or after receiving a formal written reprimand, an employee continues to perform his or her work in an unsatisfactory manner, to engage in the violation of a District work instruction, policy or procedure, or continues to manifest the unacceptable behavior or conduct for which the employee received the written reprimand, the employee's division director may impose a warning and suspend the employee without pay for a full working day. The imposition of the warning and one-day suspension without pay shall be in writing, shall state the factual basis for this disciplinary action and shall specify the action(s) which the employee should take to correct the basis for this disciplinary action and the possible consequences of a failure by the employee to take such corrective action. This written documentation is entered in the employee's personnel record. A Warning and One Day Suspension may not be grieved or appealed.

SECTION 5.05 EXTENDED SUSPENSION

1. If, for good cause shown or after being issued a warning and being placed on a one-day suspension without pay, an employee continues to perform his or her work in an unsatisfactory manner, persists in engaging in the violation of a District work instruction, policy or procedure, or continues to manifest the unacceptable behavior or conduct for which the employee was issued a warning and placed on a one-day suspension without pay, the EO may suspend the employee from work without pay for a period of up to two weeks. Prior to placing an employee on an extended suspension without pay, the EO shall cause to be served on the employee a written Notice of Proposed Disciplinary Action, which shall contain the following information: (i) a statement of the action which is proposed to be taken, (ii) a statement of the factual basis for this proposed disciplinary action, (iii) a specific reference to any District work instruction, policy or procedure which the employee is alleged to have violated, (iv) a specification of the action(s) which the employee should take to correct the basis for this disciplinary action and the possible consequences of a failure by the employee to take such corrective action, (v) a statement that the employee may review and request copies of materials upon which the proposed disciplinary action is based, and (vi) a statement that the employee will be given an opportunity to address the charges supporting this disciplinary action with the EO prior to the suspension becoming effective.

2. An employee who is to be placed on an extended suspension from work without pay will be given an opportunity to address the charges supporting this disciplinary action with the EO prior to the suspension becoming effective. This meeting with the EO should take place as soon as possible, and in no event more than five (5) working days after the recommendation for suspension from work without pay has been provided to the employee. The employee may bring a representative of the Association and/or a private personal representative to the meeting with the EO. Within five (5) working days after meeting with the employee and the Division Director recommending the suspension, the EO shall prepare a written decision regarding the recommended suspension. If, after considering the Division Director's recommendation and the information presented by the employee at the meeting, the EO determines to impose a suspension from work without pay, the suspension shall begin on the

day after the EO's written decision is served on the employee, and all written documentation pertaining to the suspension will be entered in the employee's personnel record.

3. Employees who are placed on an extended suspension without pay will not accrue sick or annual leave during the period of such suspension.
4. Notwithstanding the progressive discipline policy outlined in Sections 5.01 through 5.04 above, the EO may place an employee guilty of serious misconduct on extended suspension. In such case, the EO shall follow the procedure set forth in 2 above.

SECTION 5.06 DISMISSAL

1. If, for good cause shown or after being suspended from work without pay, an employee continues to perform his or her work in an unsatisfactory manner, persists in engaging in the violation of a District work instruction, policy or procedure, or continues to manifest the unacceptable conduct or behavior for which the employee was placed on an extended suspension from work without pay, the EO may dismiss the employee from employment with the District. Prior to the dismissal of an employee from employment with the District, the EO shall cause to be served on the employee a written Notice of Proposed Disciplinary Action, which shall contain the following information: (i) a statement of the action which is proposed to be taken, (ii) a statement of the factual basis for this proposed disciplinary action, (iii) a specific reference to any District work instruction, policy or procedure which the employee is alleged to have violated, (iv) a statement that the employee may review and request copies of materials upon which the proposed disciplinary action is based, and (v) a statement that the employee will be given an opportunity to address the charges supporting this disciplinary action with the EO prior to the dismissal becoming effective.
2. An employee who is to be dismissed from employment with the District will be given an opportunity to address the charges supporting this disciplinary action with the EO prior to the dismissal becoming effective. In such event, the employee's Division Director will inform the employee of the Director's recommendation that the employee be dismissed from employment. This meeting should take place as soon as possible, and in no event more than ten (10) working days after the recommendation for dismissal. The employee may bring a representative of the Association and/or a private personal representative to the meeting with the EO. Within five (5) working days after meeting with the employee and the Division Director recommending the dismissal, the EO shall prepare a written decision regarding the recommended dismissal. If, after considering the Division Director's recommendation and the information presented by the employee at the meeting, the EO determines to dismiss the employee from employment with the District, the dismissal shall be effective on the day on which the EO's written decision is mailed to the employee. An employee may be placed on administrative leave with pay when they are informed of the Director's recommendation that he/she be dismissed from employment. In that event, he/she shall remain on administrative leave with pay until such time as he/she is either directed to return to work or until the date the EO's written decision is mailed to the employee.

3. After the EO takes action on a proposed dismissal of an employee, the Notice of Proposed Disciplinary Action and all related written documentation will be entered in the employee's personnel record.

SECTION 5.07 ADMINISTRATIVE LEAVE WITH PAY

Any bargaining unit employee placed on administrative leave with pay shall receive all salary and benefits and remain covered by all provisions of the MOU, including membership status with the EA while on leave with pay. Said terms and conditions of employment shall remain in full force and effect as if the bargaining unit employee had remained on the job for the duration administrative leave with pay.

Pursuant to Section 3.11(d), the District has the right to relieve employees from duty for legitimate reasons. Accordingly, the District may place employees on paid administrative leave during the course of investigations that may lead to disciplinary action. Provided, however, that the period of administrative leave in any given instance shall not exceed the timely reasonably necessary to conclude the investigation.

The District reserves the right to direct employees not to enter and/or access District facilities and to direct them and to schedule them to attend meetings related to investigations and notice employees regarding the discipline process in accordance with the MOU. Further, District managers may approve a request from an employee who is placed on administrative leave with pay to use other types of paid leave and unpaid leave in lieu of administrative leave with pay. In the event the employee's manager approves such a request, then the employee would be subject to the conditions that normally apply to the approved leave. Leave requests that were approved prior to an employee being placed on administrative leave will be honored unless doing so unduly impedes the investigation and/or disciplinary process. Any and all leaves cancelled by the District causing a monetary loss to the employee shall be reimbursed by the District to the full amount. The employee shall submit to the District verification of the monetary loss and the District shall fully reimburse the employee within ten working days of the receipt of such verification.

Administrative leave with pay is not considered a break in service and the bargaining unit employee's position shall not be vacated by this leave.

ARTICLE VI CLASSIFICATION STUDY AND COMPENSATION SURVEY

A. Upcoming Classification Study and Compensation Survey

During the term of this MOU, the District agrees to have both a comprehensive classification study and compensation survey conducted by an outside vendor(s). The District agrees to complete the classification study and compensation survey prior to the parties commencing bargaining for a successor MOU.

1. Job classifications will be thoroughly reviewed to determine whether they need to be updated to reflect the work being performed in the bargaining unit positions assigned to those classifications, including the knowledge, skills and abilities, examples of duties, and qualifications required to perform the work.
2. The District agrees to discuss and receive the EA's input regarding appropriate comparators prior to making the final determination regarding comparators to be utilized.
3. Compensation will be thoroughly reviewed to determine if the adjustment to the rate of pay for a classification is warranted based on external comparators and/or internal equity considerations.
4. During the term of this MOU, no bargaining unit employee will be subject to a reduction in force, demoted, y-rated, or suffer a reduction in salary or benefits related to the classification study or compensation survey. Thereafter, depending upon the results of the classification study/compensation survey, such reductions/y-rating may occur pursuant to the meet and confer process for the successor MOU.
5. Aside from mutual agreement in the form of a side letter (for existing classifications) or as implemented pursuant to the MMBA meet and confer process (for new classifications), Appendix A shall remain in full force and effect without modification during the term of this MOU.
6. The District agrees to provide the Association with final copies of both the classification study and compensation survey, and final recommendations, if any, within ten (10) business days following their completion.

B. Maintenance

The following processes shall remain dormant during the term of this MOU in light of the comprehensive classification study and compensation survey that will be conducted during the term of this MOU as described in Paragraph A above. Six months after completion of the classification study and salary survey described in Section 6.A, but no later than June 30, 2025, the dormancy ends and these maintenance provisions in Section 6.B revive and become fully effective.

1. Up to 6 classifications may be reviewed in each of the remaining years of the current MOU. The EA and the District may each select up to three (3) classification series.
2. Bargaining unit positions in selected job classifications will be audited to determine whether the positions are correctly classified.

3. Job classifications and descriptions, if any, will be thoroughly reviewed to determine whether they need to be updated to reflect changes to the work being performed in the bargaining unit positions assigned to those classifications, including the knowledge, skills and abilities, examples of duties, and qualifications required to perform the work.
4. Review of classifications may include a compensation analysis to determine if adjustment to the rate of pay for a classification is warranted based on external comparators and/or internal equity considerations.
5. For the purposes of this subsection, no bargaining unit employee will be subject to a reduction in force, demoted, y-rated, or suffer a reduction in salary or benefits based on the results of an audit of his/her position, a review of the job classification description assigned to their position, or a compensation analysis.
6. In the event that a compensation analysis/survey is conducted and indicates that an adjustment to pay rates is warranted, the Human Resources Officer shall prepare a report and recommendation for consideration by the Board of Directors as part of the annual budget preparation process.
7. All position audits, job classification description reviews, and compensation analyses conducted pursuant to subsection B of this Article shall be performed by an external consulting firm mutually agreed upon by the parties.
8. The cost of any work performed pursuant to #7 shall be borne equally by the District and the Association, except that the Association's costs for such work shall not exceed \$15,000 per year.
9. However, neither party is required to designate classes in any year.
10. Aside from mutual agreement in the form of a side letter, existing represented classifications shall remain in full force and effect without modification for the term of this MOU.

Effective the first full pay period after July 1, 2024, and for the term of this MOU only, wages/salaries of bargaining unit employees shall be increased by two percent (2.0%) plus any change of the Consumer Price Index for Urban Wage Earners and Clerical Workers for San Francisco-Oakland-Hayward (CPI-W) for the preceding calendar year, as reported by the Bureau of Labor Statistics, U.S. Department of Labor, over the wages/salaries in effect on the preceding June 30.

Irrespective of the CPI-W as defined above, the cumulative minimum increase for the 2024/2025 fiscal year (2.0% plus change in CPI-W) shall be one percent (1.0%) and the maximum increase shall be four point five percent (4.5%).

SECTION 7.02 SALARY STEPS

1. There are five (5) steps within the salary range for each position, with a five percent (5%) increment between the steps. The time between Entrance Step A and Step B is six (6) months of satisfactory service in Step A. The time between Step B and Step C is six (6) months of satisfactory service in Step B. The time between Step C and Step D is one (1) year of satisfactory service in Step C, and the time between Step D and Step E is one (1) year of satisfactory service in Step D.
2. Unless special conditions warrant otherwise, an employee promoted to a higher position will receive the minimum salary for the higher position nearest a five percent (5%) increase (not less than four point nine percent [4.9%]) above the employee's former position, whichever is higher, provided the increase is within the range of the higher position. If a promotion is awarded within thirty (30) days of a scheduled step increase, the step increase and promotional increase will both be effective at the time of the change. Hiring at a higher salary step will require justification from the Hiring Manager and approval of the EO.
3. If a position is reclassified, a competitive recruitment will occur and the salary placement of the selected employee will be in accordance with subsection 2 above.
4. If a position is reclassified to a position having a lower salary range, the incumbent will be Y-rated according to the provision section 7.05.

Such an employee may be terminated for cause. However, if an employee is promoted prior to the completion of his/her initial probation period, the employee must successfully complete the full probationary period designated for the higher classification before attaining regular status.
7. If an employee is demoted for disciplinary reasons to a position having a lower salary range, the employee will be placed in the new range at the step held prior to the demotion.

8. If an employee is demoted because of lack of funds, the employee will be placed in the salary step in the new range that reflects the least decrease in salary. If an employee promoted to a higher class fails to pass a promotional probationary period, the employee will be returned to a position in the formerly held classification and will revert back to the step in the salary range they occupied in the former position effective prior to promotion. Step increases will be awarded on the schedule appropriate to the prior position.

SECTION 7.03 STEP INCREASES

Step increases are effective on the first day of the pay period in which the employee's anniversary date falls providing that a formal performance evaluation has been completed which indicates at least an overall "meets standard" rating. For purposes of this section, a delayed performance evaluation exceeding thirty (30) calendar days shall cause the employee's performance evaluation to be an overall "meets standard" rating and the employee shall receive the increase retroactive to the first of the pay period in which the employee's anniversary date falls.

SECTION 7.04 DETERMINATION OF SALARY RATES

1. ORIGINAL APPOINTMENTS: Unless special conditions warrant otherwise, employees will be hired at the entrance salary of the position classification. 2. LIMITED-TERM EMPLOYMENT (Non-Contract per Section 16.04): Limited-term employees will be placed on the salary range of the classification in which the person is employed. If a former regular District employee is re-hired as a limited-term employee for the same classification in which they held upon separation, the former regular employee will be paid at the same step of the salary range for the classification at the time of separation. If a former regular employee is re-hired as a limited-term employee for a classification other than that held at the time of separation, the former regular employee will be paid the same step of the salary range for the classification at the time of separation providing that the salary range of the classification in which the person is employed is equal to or less than the salary range of the classification held at the time of separation. If the salary range for the classification in which the former regular employee is employed is higher than the salary range of the classification held at the time of separation, the former regular employee will be placed at the step of the salary range of the classification based on the needs of the District pursuant to 7.04.1 above.

Employees promoted to a position in a different class series shall be subject to a probationary period equivalent to nine (9) months of full-time actual and cumulative service. If an employee does not successfully complete his/her promotional probationary period, he/she shall be placed back in a position in the employee's former classification at the salary step held prior to the promotion without cause or right of appeal.
3. During any probationary period, no employee shall be demoted or terminated in violation of the District's Equal Employment Opportunity policy.

ARTICLE IX HOURS OF WORK

SECTION 9.01 HOURS OF WORK

1. WORKWEEK

- A. **NORMAL WORKWEEK.** A normal workweek shall consist of five (5) consecutive eight (8) hour days, Monday through Friday. The normal workday shall be scheduled over an eight and one-half (8 ½) hour period from 8:30 A.M. to 5:00 P.M., normally with one-half (1/2) hour for meals.
- B. **COMPRESSED WORKWEEK.** With the approval of Management, an employee's normal workweek and/or workday can be modified to allow for flextime hours or a compressed workweek. In such a case, appropriate adjustments will be made to recognize such a normal flex or compressed day/week.
- C. **TELECOMMUTING.** With the approval of Management, an employee's normal workweek may be modified to allow for telecommuting. The employee and his/her/their

(hereinafter referred to as their) supervisor will agree on core days and hours during which the employee will be working remotely, and these will remain constant from week to week, unless modified by agreement with the supervisor. The District will allow non-scheduled telecommuting on Spare-the-Air days when appropriate. In all cases, telecommuters communicate sufficiently with the office and the public to meet the District's goals.

D. PART-TIME WORK: An employee may request a regular part-time work schedule of fewer than 80 hours per pay period. Approval shall be at the discretion of the Division Director and the EO on a fiscal year basis considering business needs of the District. The part-time schedule may be rescinded by the EO with a 30-day notice to the affected employee for business needs or for unsatisfactory employee performance.

2. An employee shall not work any time in excess of his or her approved work schedule without prior approval of the employee's supervisor, acting supervisor or other manager in the employee's chain of command.
3. When a situation arises in which a represented employee is unable to work their regular hours on a particular day, upon the approval of the employee's supervisor, the employee may make up the time missed. The makeup time shall occur during the same pay period. The total hours worked, including makeup time, shall not exceed eighty (80) hours during any pay period. Makeup time shall not trigger overtime in any workweek or under any circumstance.
4. When an employee is away from the employee's normal duty assignment for jury duty, an all-day or multi-day meeting, a conference or to take a District-authorized class, the employee shall only be paid: for the hours representing the agency at, and travel time to and from, meetings or conferences; for the hours at, and travel time to and from, a class; or for the hours at jury duty and for any travel time between the location of the jury duty and the District office or the location of the employee's normal duty assignment. With the approval of the employee's supervisor, an employee will receive overtime or compensatory time if the time consumed by the outside activity exceeds the employee's normal workday.
5. When an employee attends one of the activities which requires the employee to be away from the employee's normal duty assignment and the activity concludes prior to the end of the employee's assigned workday, the employee must return to work, use appropriate paid leave, work at home, or make-up time. In order to use appropriate paid leave, work at home or make-up time, employees must receive concurrence from their immediate supervisor and authorization from their manager. If the employee is authorized to make-up time, the employee must make-up the time in the same pay week in which time was taken off and in no event shall this time when combined with regular hours worked result in weekly overtime.
6. With the approval of Management, an employee may make up work time that is lost as a personal or job-related obligation within the same workweek in which the work time is lost. Make up may not be counted towards computing the total number of hours worked in a day for purposes of the overtime requirement specified in this MOU. The schedule according to

which any such time will be made up will be established in consultation with the employee's supervisor.

SECTION 9.02 MEAL PERIOD AND REST PERIOD

1. Lunch period of one-half (1/2) hour is to be taken as assigned by the employee's manager, normally it will be taken between 12:00 P.M. and 1:00 P.M.
2. Rest period of one-quarter (1/4) hour each is normally taken in mid-morning and mid-afternoon.
3. Continuation of Business: An adequate number of employees may be assigned lunch and rest periods to ensure the continuation of business.

If an employee is authorized to take a 30-minute lunch, the employee may either be authorized by the manager to combine his/her/their two (2) 15-minute breaks with their lunch period or to take one (1) 15-minute break mid-morning and one 15-minute break mid-afternoon.

If an employee chooses and is authorized to combine their lunch and break periods, to provide the employee a one (1) hour lunch period, the employee will not be entitled to take any additional breaks during the employee's work shift.

If an employee is authorized to take a one (1) hour lunch and two (2) 15-minute breaks, then the employee shall take one(1) 15-minute break midmorning and one 15-minute break mid-afternoon.

Due to unforeseeable work duties, there may be times that an employee will not be able to adhere to their primary lunch option. The District acknowledges that in such cases, an employee may select an alternative lunch option for that day.

SECTION 9.03 ATTENDANCE

1. An employee's supervisor will be responsible for keeping the daily attendance record of each employee.
2. A bargaining unit employee who is tardy shall report to the employee's supervisor as promptly as possible after beginning work and at the sole discretion and approval of the employee's manager, the employee may be allowed to (1) make-up time providing the makeup time does not put the employee in an overtime status, (2) use appropriate paid leave in accordance with this agreement, or (3) may be docked for the period of tardiness.
3. An employee must report unscheduled leave to the District within the first hour of the workday unless an emergency prevents such reporting.
 - A. Failure to report may result in loss of pay for the period of absences from work.

- B. An employee who is absent without leave and without having reported their absence for more than one (1) working day may be considered to have resigned and may be terminated.

SECTION 9.04 OVERTIME

The District will avoid the necessity for overtime where possible. The District is under no obligation to assure anyone of the availability of overtime work, nor is the District obligated to treat any particular kind of assignment as overtime. Therefore, the District may adjust work schedules where possible to cover work assignments as straight time work assignments.

The District recognizes that not all work matters can be scheduled during a work shift, and consequently, legitimate overtime assignments will be compensated accordingly.

A notice to an employee to work overtime is a notice in advance if the assignment is given more than 24 hours prior to the beginning of the work to be performed. Such assignments will be considered “scheduled” overtime. An assignment given less than 24 hours in advance will be considered an “unscheduled” assignment for call-back purposes. A call-back is the unscheduled, emergency, and authorized call-back to return to work after a regular shift has been completed.

The District will make every reasonable effort to notify employees of changes in work schedules 14 days in advance of the work to be performed.

Though work schedules for most employees are within the normal workday and normal workweek, groupings of employees may occasionally or regularly have work schedules at different times. The District reserves the right to change work schedules to meet operational needs during straight time shifts.

Except as otherwise provided in Section 9.01, travel time pay is only authorized for call-back assignments. Travel time and call-back time will be compensated at the applicable rate of pay. The time employees spend traveling to a work assignment, except for qualifying callback assignments, is not to be paid regardless of whether the employee is traveling to a scheduled overtime or straight time assignment.

1. AUTHORIZATION. Overtime is the necessary, assigned authorized time worked in excess of eight (8), nine (9), or ten (10) hours per day (depending on an individual's normal work schedule) or forty (40) hours per week. With regard to flex time or compressed work weeks, it is recognized that the standard work week may not be forty (40) hours. Any hours worked beyond whatever is necessary to fulfill the designated flex/compressed work week plan for a represented employee are designated as excess hours. These excess hours are to be paid as overtime or compensatory time at the rate of one and one-half times base hourly rate. For the purposes of this section, paid leave time shall be included in computing the forty (40) hours per week when determining eligibility for overtime; provided, however, that an employee on a flex time or compressed schedule may, with supervisor's approval, modify a normal schedule in order to meet operational necessities, which modified schedule will then constitute normal work time.

2. **CALL-BACK.** Call-back is the unscheduled, authorized call back to work before or after but not connected to the normal workday. Compensation will be based on a minimum of two (2) hours at the applicable rate of pay.
3. **TRAVEL TIME.** For a call-back which is not directly connected to the beginning or ending of a normal shift, the employee will receive compensation from the time the employee leaves home until the employee returns home (travel time) at the applicable rate of pay.
4. **DISTRIBUTION OF OVERTIME.** Overtime, other than call-back, will be distributed in the following manner, consistent with District operating requirements:
 - A. When overtime is required to complete an assignment, the person given the assignment will normally continue the work.
 - B. When unscheduled overtime is required in a supervisor's area (or an extended coverage area) to conduct an additional assignment, employees working for a supervisor (or working in an extended coverage area) will be asked first whether they wish to volunteer for the overtime work. If two (2) or more people volunteer for the assignment, the assignment will be made based on a rotating overtime assignment schedule starting with the most senior person in the work group. If no one volunteers for the assignment, a supervisor may select an individual through the use of a lottery system or, at the discretion of management, the supervisor may select in the order of inverse seniority. Any and all of the above methods may be used to establish an order of rotation for the purposes of distribution of overtime.
 - C. On continuing extended, overtime assignments, coverage will be assigned on a rotating basis.
 - D. All overtime assignments will be made with due consideration for employee hardship.
 - E. Seniority, for the purposes of overtime assignments only, is determined by the time an employee has held the position for which the overtime assignment is required.
 - F. The District reserves the right to approve, or disapprove, all assignments with due consideration of safe work hours and excessive work schedules.
 - G. Limited-term employees shall not be offered the opportunity to work overtime hours without first offering the overtime hours to that supervisor's regular employees and allowing those employees to decline the overtime hours.
5. **DISTRIBUTION OF CALL-BACK.** Call-back will be distributed in the following manner:
 - A. When call-back is required, the person normally responsible for the assignment will be given first opportunity of call-back.

- B. If the person normally responsible for the assignment is unavailable for call-back, then the immediate supervisor will be responsible for the assigning of call-back to other employees in the same position.
 - C. If the immediate supervisor is unavailable for assigning the call-back, then the alternate supervisor, manager or division director will be responsible for the assignment of callback. The District maintains the option to deviate from this procedure based upon immediate need.
6. All represented employees who are authorized and work overtime shall be compensated at the rate of one and one-half times their base hourly rate of pay for all time worked over their normally scheduled workday. Represented employees may elect compensatory time at the rate of one and one-half (1½) times the overtime worked in lieu of overtime pay but may not accumulate more than 240 hours of compensatory time. However, compensatory time shall only be allowed with management approval for any overtime earned in an assignment outside of their regular division. After 240 hours of compensatory time has been accumulated, overtime pay will be the compensation for overtime work. The maximum accumulation of compensatory time is 120 hours as of the end of the calendar year. At the end of the calendar year, the District will pay the employee all compensatory time in excess of 120 hours at the current hourly rate. An employee may cash out up to the full amount (240 hours) at the end of the calendar year.
 7. Employees required to work a designated holiday shall receive overtime pay equal to two (2) times the employees' base hourly rate of pay. For purposes of this section, a designated holiday shall be the dates on which the holiday is observed by the District (Section 12.07), except that for New Year's Day, Independence Day, and Christmas Day, the designated holiday shall include the actual date of the holiday and if any of these holidays fall on a Saturday or a Sunday, the Monday or Friday on which the holiday is observed by the District.
 8. An employee shall not work any time in excess of their approved work schedule without prior approval of the employee's supervisor.

ARTICLE X REDUCTION IN FORCE

SECTION 10.01 PROCEDURE / BUMPING, LAY-OFF AND RECALL

1. **SENIORITY.** For the purpose of this Section, there are three types of seniority which apply in connection with the implementation of a reduction in any portion of the District work force: District employment seniority, seniority within a class series and seniority within a specific job classification. District employment seniority is the seniority gained based on overall employment with the District. Seniority within a class series is the seniority gained based on time in service in a number of job classifications which all belong to the same class series (for example, Inspector I, Inspector II, Senior Inspector and Supervising Inspector). Seniority within a job classification is the seniority gained based on time in service in a specific job classification.

2. LAYOFFS/REDUCTIONS IN WORK FORCE

- A. When a reduction in work force becomes necessary for any reason such as lack of funds or lack of work, layoffs will be based on reverse order of overall District employment seniority.
- B. As a result of any such layoffs, management may reassign remaining employees to equal or lower paying job classifications in order to assure that the operating requirements of the District can be met. Any such reassignments shall be made in accordance with the bumping mechanism set forth in Section 3(C) below.
- C. The District will give an employee at least 30 days written notice prior to the effective layoff date.
- D. The District will furnish a list of employees to be laid off to recognized employee organization(s) at the same time the employees are given written notice.

3. BUMPING

- A. DEFINITION. Bumping is the displacement of an employee to an equal or lower paying job classification. Bumping will be based on reverse order of seniority, either in the job classification or District-wide, as set forth in subsection (C) (2) below. Normally, bumping will occur in the context of a reduction in the District work force, when the position of an employee with sufficient overall employment seniority with the District to avoid being laid off is eliminated. However, bumping may also occur in the context of a static staffing mode, when the District is unable to hire new employees to fill existing vacancies or as a result of significant changes in the operating requirements of the District, such that it is necessary to displace existing employees to equal or lower paying job classifications involving new or different duties.

B. GENERAL RULES APPLICABLE TO BUMPING

The bumping procedure set forth below shall not be used for punitive or disciplinary purposes.

- (1) When any employee who has held a given job classification for less than 4 years must be bumped, the employee to be bumped to an equal or lower paying job classification will be the employee with the least seniority in that employee's current job classification. When any employee who has held a given job classification for more than 4 years must be bumped, the employee to be bumped to an equal or lower-paying job classification will be the employee with the least overall employment seniority with the District.
- (2) Whenever an employee is bumped, the time spent by the employee in the position from which the employee has been bumped, as well as any time which the employee previously spent in the position to which the employee is bumped, will count as time spent in the job classification to which the employee is bumped.

- (3) When two or more employees have the same amount of seniority in a given job classification and one must be bumped, the employee with the least overall District employment seniority is the one who will be bumped. When two employees have the same amount of overall District employment seniority and one must be bumped, the decision as to which employee must be bumped will be based on the flip of a coin.
 - (4) Any employee who is bumped to a lower paying job classification will be Y-rated in accordance with Section 7.05. In the event of any subsequent vacancy in a job classification from which an employee was bumped, that employee will be automatically returned to that previous job classification. When more than one employee has been bumped, that employee with the highest applicable seniority in accordance with rule (1) above shall have priority to return to the previously held vacant job classification. In the event of a vacancy in a job classification in a class series from which an employee has been bumped that pays more than the job classification that the employee currently holds, but less than the job classification from which the employee was bumped (an intermediate-paying classification), the employee with highest applicable seniority in accordance with rule (1) above will be automatically promoted to the intermediate paying classification.
 - (5) An employee's seniority in a given job classification shall not be affected by a re-titling of the position and/or modification of the job description which involves no change in pay.
 - (6) Subsequent to being hired as a regular employee, an employee's time in service as a limited-term employee in excess of 1,000 hours within a fiscal year shall count toward that employee's overall District employment seniority, and all of an employee's time in service as a limited term employee in a given job classification shall count toward that employee's seniority in that job classification.
 - (7) Prior to bumping any employee to an equal or lower paying job classification, the EO shall provide a written explanation as to why the operating requirements of the District necessitate that the employee be displaced from his or her current job classification. The District will give an employee at least 30 days written notice prior to the effective date of any bumping. The District will furnish a list of employees to be bumped to recognized employee organization(s) at the same time the employees are given written notice.
- C. THE BUMPING MECHANISM. The bumping mechanism will operate by the application in sequential order of the following criteria, (1) through (9). Thus, an employee who, because of a lack of seniority in his/her job classification, is to be bumped to an equal or lower paying job classification will be bumped in accordance with the first of the following criteria which applies to his/her specific circumstances. At any step where a given employee may bump one of several other employees with less seniority, the individual with the least seniority is the one who will be bumped.

- (1) Prior to the implementation of any mandatory bumping or displacement of an employee to an equal or lower paying job classification to meet the operating requirements of the District, management shall solicit volunteers to move to that job classification. If more than one employee in a job classification volunteers to be bumped, the volunteer with the greatest overall District employment seniority is the one who will be bumped.
- (2) An employee can never bump back to a higher paying position which that employee previously held in the District; however, for purposes of calculating seniority in a job classification, the time spent by an employee in a higher paying job classification will be added to the time already spent in the current, lower paying job classification.
- (3) An employee whose job is being eliminated bumps the least senior employee in the same job classification in the same division.
- (4) The least senior employee in a division bumps the least senior employee in the same job classification anywhere in the District.
- (5) An employee, "A", bumps to an equal paying job classification which "A" previously held, provided that "A" has more total seniority in the current and the previously held position than the least senior current employee in the position which "A" previously held.
- (6) "A" bumps to a lower paying job classification which "A" previously held, provided that "A" has more total seniority in the current and the previously held position than the least senior current employee in the position which "A" previously held.
- (7) "A" bumps to a lower paying job classification in a class series in the same division in which "A" previously held a position, provided that "A" has more total seniority in that class series and in "A's" current position, taken together, than the least senior current employee in the lower paying job classification; and provided, further, that an employee must have held a job classification as a supervisor within the District in order to bump a supervisor in a lower paying class series.
- (8) "A" bumps to a lower paying job classification in a class series anywhere in the District in which "A" previously held a position, provided that "A" has more total seniority in that class series and in "A's" current position, taken together, than the least senior current employee in the lower paying job classification; and provided, further, that an employee must have held a job classification as a supervisor within the District in order to bump a supervisor in a lower paying class series.
- (9) "A" bumps to an equal or lower paying job classification which "A" did not previously hold but for which "A" meets the minimum requirements identified in the job description, provided that "A" has more total District seniority than the least senior current employee in the equal or lower paying job classification.

Note: Notwithstanding that the foregoing criteria (6), (7), (8) and (9) shall normally be applied in sequential order, an employee who can bump to an equal or lower paying job

classification under any of those four criteria shall bump to the highest paying of the available positions.

D. RECALL

- (1) Employees who are laid off will be placed on a recall list for thirty-six (36) months, during which period, service time in the former classification will be preserved. However, no service time will be accrued during any period of layoff.
- (2) Employees will be recalled to their former job classification, or to a lower paying job classification for which they meet the minimum requirements identified in the job description, in reverse order of layoff provided they respond to the notice (mailed to the employee's home address of record with the District by certified mail return receipt requested) of a classification opening by notifying the District of their intent to return within 10 working days of receipt of such notice and return to work or to their former classification within fifteen (15) calendar days of receipt of such notice.
- (3) An employee recalled to a lower paying classification or advanced to an intermediate paying classification shall remain on the recall list and retain the right to return automatically to his or her former, higher paying classification. The employee with the highest seniority shall have priority to return to the previously held vacant job classification or to advance to an intermediate paying job classification in the class series of the previously held classification.
- (4) An employee's name shall be removed from the recall list only when the employee refuses an offer to be returned to the employee's former position.
- (5) A change in job title shall not affect an employee's recall rights.

ARTICLE XI FRINGE BENEFITS

An employee who is approved for a part-time assignment of 90% or more will receive the fringe allowance as specified in Section 11.07 Premium Requirements. All other employment benefits will be prorated based on the hours worked. All employment benefits for an employee who is approved for a part-time assignment of less than 90% will be prorated based on the hours worked.

The District's sick leave payments are integrated with any payments received by the employee from SDI or FTDI. The cost of SDI and FTDI is deducted from the employee's pay. SDI and FTDI are integrated with the employee's leave time. Employees shall not be entitled to receive more than one hundred percent (100%) of pay when SDI or FTDI and leave time are combined. The administration of the SDI and FTDI programs is solely the responsibility of the State of California. The District and the employee will develop a repayment plan. 1. Each full-time employee is entitled to a maximum of 480 hours of family care and medical leave during any 12-month period. The 12-month period begins on the first date family care and medical leave is taken. Family care and medical leave can only be initiated by request of the employee. Prior to the request, time off taken on any type of paid leave will not be deducted from the family care and medical leave entitlement. When medically necessary, leave may be taken on an intermittent basis or the employee may be authorized to work on a reduced schedule.
2. The family care and medical leave entitlement may consist of paid or unpaid leave. An employee who is taking family care and medical leave to care for an eligible family member must use all accrued annual leave and floating holiday, except for 80 hours that may be retained or used at the employee's discretion, before unpaid leave may be taken. An employee who is taking family care and medical leave due to the employee's own serious medical condition is not required, but may choose to, use accrued annual leave and floating holiday.

No changes to said provisions of Division III, Section 11.7 of the District's Administrative Code Personnel Policies and Procedures that are within the scope of bargaining will be proposed to the

District's Board of Directors by District Management without first obtaining the concurrence of the Association in writing of said proposed changes.

SECTION 12.11 PREGNANCY DISABILITY LEAVE

The provisions of Division III, Section 11.9 of the District's Administrative Code Personnel Policies and Procedures are incorporated herein, and made a part hereof by this reference. Employee and employer contributions to PERS are not paid during leave without pay. A leave without pay is not considered as a break in service, and the employee is assured return to the same position, or to a comparable position in the same job classification and at the same pay grade.

SECTION 12.14 LEAVE OF ABSENCE

1. Leave of absence may be granted for non-medical reasons or to continue a medical leave for a maximum of six (6) months by the EO. A consecutive leave of absence may be granted but in no case for a total of more than twelve (12) months for any employee.

service, and the position vacated by this leave may be open for recruitment of a regular employee.

2. Return after unexpired leave. Granting a leave of absence will permit the return of the employee to District employment before the expiration of the leave of absence under the following conditions.
 - A. The employee will have preference for re-employment in the same classification or at another lower classification for which the person is qualified, provided the position is vacant.
 - B. Leave of absence does not confer any absolute right to return to position or employment.

ARTICLE XVI METHOD OF FILLING VACANCIES

SECTION 16.01 PROCEDURES

1. ANNOUNCEMENT PROCEDURE. When a bargaining unit vacancy exists, the Human Resources Office (HRO) will prepare and distribute a position announcement for the vacancy. The announcement will be posted electronically. The position will be opened for at least ten (10) working days. The bargaining unit vacancy announcement will include the opening date, minimum qualifications required, and the selection procedures to be used to screen applicants.
2. REVIEW OF JOB ASSIGNMENT(S) AND CLASSIFICATION SPECIFICATIONS. Prior to the opening of a vacancy, the Hiring Manager shall have the right to make job assignment changes within the classification of the vacant position prior to identifying the actual vacant position. The Hiring Manager must review the classification specification prior to the commencement of the recruitment process in order to select those duties and functions, which are the most relevant for the position to be filled. Those identified duties and functions shall be placed in bold print so that they are given prominence in the job announcement for the position to be filled.
3. APPLICATION. Applicants who wish to be considered for the position will submit a completed application form to the HRO on or before the filing deadline specified on the announcement.
4. QUALIFICATIONS. The qualifications include, but are not limited to, education, experience, knowledge, skills, abilities and other background factors, which are needed for each classification. The minimum qualifications will be specified in the classification specification form and included in the announcement. The HRO may allow for or consider equivalent and relevant education and/or work experience when evaluating if an applicant meets the minimum qualifications.

The HRO shall determine if the applicants meet the minimum qualifications of the position. The HRO shall inform each applicant in writing if he/she/they (hereinafter “they”) do not meet the minimum qualifications for the position. The HRO may reject any application if the applicant does not possess the minimum qualifications required for the position, or for other justifiable reasons. The HRO shall inform any disqualified bargaining unit applicant in writing of the specific reasons for the disqualification and his/her rights to appeal the HRO’s decision.

5. **VACANCY.** A vacancy is a position in which there is no incumbent and no employee has a right to the position. A position is vacant when the position is newly-created, the incumbent terminates, the incumbent is on a leave of absence or the incumbent has been demoted from the position. A position is not vacant if the incumbent is on sick leave, annual leave, bereavement leave, temporary disability including Pregnancy Disability Leave, Family Care Leave, Workers' Compensation, leave without pay or any other circumstances determined by the EO.

6. **ORDER OF FILLING VACANCIES.**

A. **FIRST PRIORITY.** Reinstatement from layoff, return from leave of absence granted for medical reasons. To fill a vacancy in the first priority category, the HRO will submit the names of all qualified applicants to the Hiring Manager.

B. **SECOND PRIORITY.** For regular employees, transfer, promotion, or return from leave of absence granted for non-medical reasons. To fill a vacancy in the second priority category, the procedures specified in this Section shall be used.

The Hiring Manager shall have the right to determine whether a second priority order for filling vacancies shall be promotional or open. In the event the recruitment is open, bargaining unit employees have the opportunity to apply and compete for the vacant position with the outside applicants.

7. **MINIMUM QUALIFICATIONS DISQUALIFICATION APPEAL.** Those bargaining unit applicants who do not meet the minimum qualifications for the bargaining unit vacancy shall be notified in writing. The bargaining unit applicant shall have the right to appeal the HRO's decision. The bargaining unit applicant must submit a written notice of appeal to the HRO within five (5) working days from the receipt of the written notification of disqualification. The bargaining unit applicant shall have a right to a consultation with the HRO and an opportunity to present additional information regarding his/her qualifications. The HRO shall review the additional information with the Hiring Manager. The Hiring Manager shall have the final decision in determining whether or not a bargaining unit applicant meets the minimum qualifications for the bargaining unit vacancy. If the Hiring Manager decides that the bargaining unit applicant meets the minimum qualifications, the bargaining unit applicant will be allowed to continue in the recruitment. If the Hiring Manager decides that the bargaining unit applicant fails to meet the minimum qualifications, the bargaining unit applicant shall be disqualified. The HRO, within five (5) working days of receipt of the Hiring Manager's decision, shall inform the bargaining unit applicant of the reason for his/her disqualification in writing.

8. **QUALIFIED APPLICANT POOL - PROCEDURE.** The following procedure shall be used to determine the qualified applicant pool. In an open recruitment, all bargaining unit applicants who meet the minimum qualifications shall be interviewed by the Hiring Manager (Step C) and Steps A and B will not apply. When there are ten (10) or fewer qualified applicants for either open or promotional recruitments, Steps A and B will not apply.

- A. Application Screening Panel - A panel of three (3) District employees chosen by and facilitated by the HRO shall screen those applicants who meet the minimum qualifications for the bargaining unit vacancy. The HRO will not be a member of the screening panel. The HRO shall ensure that the panelists occupy a position in a job classification, which is equal to or higher than that of the job to be filled. The Hiring Manager in consultation with the HRO shall establish the screening criteria. The screening criteria may include a practical test, a written examination, a review of the responses to the supplemental application question, and/or any combination of screening methods listed above deemed appropriate for the position by the Hiring Manager. The screening panel shall score the applicants consistent with predetermined scoring methodology. As a result of the screening, all applicants will be given a score based on a 100-point scale. If the Hiring Manager has opted for an examination, then the HRO shall administer the examination to all of the applicants under the same conditions. The HRO or the screening panel shall score the examinations with the predetermined scoring criteria. The examination will be scored blindly.
- B. Panel Interviews - A panel of three (3) District employees chosen by and facilitated by the HRO, giving due consideration to the necessities of the job being filled, shall interview the top twelve (12) applicants, or the total number of applicants, whichever is fewer, by score. The HRO shall ensure that all of the panelists occupy a position in a job classification, which is equal to or higher than that of the job to be filled. The HRO shall ensure that at least one of the panelists shall be a representative from the Division where the vacancy exists, and at least one of the panelists shall be a representative from a different Division. The HRO may choose one (1) panel member from outside the District who possesses expertise in the area of the vacant position. The HRO shall ensure that applicants are notified in writing of potential interview dates at least three (3) working days prior to the first interview date. The Hiring Manager and the HRO will develop the interview questions and rating criteria. A representative of the HRO will facilitate the interview process, however, that person will not be a member of the panel. The panel interview scores will be based on a 100-point scale.
- C. Hiring Interviews - As a result of the scores, the Hiring Manager in the presence of the HRO will interview the top ten (10) applicants, or the total number of applicants, whichever is fewer. In open recruitments, the Hiring Manager will interview all bargaining unit applicants who meet the minimum qualifications. The HRO shall ensure that applicants are notified in writing of the potential interview dates at least three (3) working days prior to the first interview date. The Hiring Manager and the HRO will develop the interview questions and scoring criteria. The Hiring Manager shall ask the predetermined interview questions of every applicant and evaluate the applicants based on the predetermined selection criteria. Based on the answers to the prepared questions, the Hiring Manager may pursue further lines of inquiry, which will draw out further information about the applicant's qualifications or abilities that relate to the vacant position. The Hiring Manager shall document in writing the extent to which each applicant possesses the desirable qualifications. The Hiring Manager shall score each applicant consistent with the scoring criteria. The Hiring Manager shall review the

scoring of each applicant with the HRO. At the conclusion of all the interviews, the Hiring Manager shall forward his/her scoring sheets, notes and recommendation of the selected applicant to fill the vacancy to the HRO. The hiring recommendation shall be forwarded to the HRO for certification as to process and procedure. Once the HRO certifies the process and procedure the hiring recommendation shall be forwarded through the chain of command to the EO for approval. If the hiring process and procedure is not certified by the HRO, the recommendation shall not be forwarded to the EO and the HRO shall take the appropriate steps to ensure the recruitment and selection process conforms to the procedures specified in this Article. Any determination not to approve the Hiring Manager's recommendation shall be in writing and shall provide a detailed explanation of the reasons for the determination, and must be approved by the EO. This document, and any correspondence concerning the document from the Hiring Manager or from any other manager in the chain of command applicable to the hiring decision, shall become part of the record of the hiring decision.

- D. Additional Steps – Subsequent to Step C (Hiring Interviews), the District may utilize additional selection procedures consistent with the provisions of Division III, Section 13 of the District's Administrative Code Personnel Policies and Procedures. Proposed changes to this policy that are within the scope of bargaining will not be implemented without first bargaining in accordance with MMBA requirements.
- E. In the event the EO does not approve the Hiring Manager's recommendation, the Hiring Manager shall submit the name of the applicant who has the next highest final score through the appropriate levels of management for approval by the EO.
- F. After the final selection(s) are made and approved by the EO, the HRO shall notify each unsuccessful applicant in writing. The Hiring Manager, upon request, shall provide the unsuccessful applicant with reasons for his or her rejection. These reasons shall be constructive and specific.
- G. In the event there are tied scores at the twelfth and tenth positions (i.e. the lowest position of the applicant pool) as a result of the procedures identified in Steps A or B above, respectively, each applicant at the tied positions shall proceed to the next steps in the process.
- H. For more than one (1) vacancy, one (1) additional applicant for each additional vacancy will be added to each of the selection processes above.
- I. If there is a vacancy in the same classification, the District shall have the option of using an eligibility list of applicants from past recruitments who have completed Step A (Application Screening Panel) to continue in the above hiring procedures, beginning at Step B (Panel Interviews) or Step C (Hiring Interviews). If the applicant has completed Step C (Hiring Interviews), the Hiring Manager shall have the option of making a hiring recommendation. Applicants will remain on an eligibility list for 18 months from the start date of the applicant selected for the original recruitment.

- J. A bargaining unit employee or the Association has the right to file a grievance if the procedures of this Article are not followed when there are bargaining unit employees in the applicant pool. Matters that are not procedural, including the hiring decision, are not grievable.
- K. If there are six (6) or fewer bargaining unit applicants who meet the minimum qualifications in the applicant pool, the bargaining unit applicants will be interviewed by the Hiring Manager, and in continuing the recruitment, the District retains the right to utilize these procedures or any procedures consistent with the provisions of Division III, Section 13 of the District's Administrative Code Personnel Policies and Procedures. Proposed changes to this policy that are within the scope of bargaining will not be implemented without first bargaining in accordance with MMBA requirements.

Allegations of discrimination under this Article cannot be grieved.

SECTION 16.02 CONTRACTING OUT

The District shall not contract out or remove from the bargaining unit any District work, whether permanent or temporary, which is performed by bargaining unit members, if the services are of a kind that persons selected through the District's normal selection process could perform adequately, competently and in timely manner, except as provided below.

Temporary Employees

When regular permanent employees are unable to perform bargaining unit work, the District may utilize temporary employees under the following circumstances:

- A. Concurrent with the District's recruitment for one or more bargaining unit vacancies, commencing at the time of District authorization of the recruitment and ending upon a permanent appointment.
- B. Limited term assignments that cannot be adequately performed by bargaining unit employees. "Adequately performed" shall refer to the current skill set of existing District staff, the time required to perform the work or project delivery deadlines. A "limited term assignment" refers to a specific project of limited duration or for a specific period of time, which is expected to terminate at the conclusion thereof.
- C. While an incumbent normally filling that position is on approved leave or is on a temporary assignment.
- D. In order to meet short term needs, including emergency situations. An "emergency situation" shall refer to an unforeseen or uncontrollable situation that arises and is beyond the control of District management.

For the period July 1, 2021 through June 30, 2023, the total number of hours of temporary employment allowable in each fiscal year under the above provisions shall not exceed 22,000. After June 30, 2023, and in the absence of a subsequently negotiated limit, the total number of hours allowable shall revert to 17,000 annually or 3.8% of the total number of filled EA positions, whichever is greater. The total number of filled positions shall be determined by calculating the average (mean) number of filled EA positions on the most recent November 1 and March 1. Filled EA positions shall include both full-time and part-time. Each part-time EA position shall be calculated as 0.75 of a full-time EA position. Should this hours limitation provision continue, the date upon which filled EA represented positions shall be calculated will continue to be the average (mean) number of filled EA positions on the most recent November 1 and March 1.

The District shall provide the EA with prompt, written notice of each temporary employee. The notice shall include the following information: specific reason for the hire, hiring date, job class and division. If the temporary employee is hired under provision B, the notice will include both the specific assignment and anticipated length of service.

The District shall provide the EA with quarterly reports for each fiscal year that include the following information: temporary employee's name and total hours worked. The District shall provide notice when it reaches 15,000 hours of usage of temporary employees in any fiscal year.

Contractors

In addition to the use of temporary employees the District may utilize contractors or contract employees to perform new functions not previously undertaken or covered by existing employees if it is determined that the services cannot be adequately performed by bargaining unit employees.

The District shall provide a quarterly report to the EA of any contracts pursuant to this section. Such notice shall indicate the name of the contractor, the nature of services and the department in which they are employed.

Representation

Temporary employees, limited term employees and contractors employed under this agreement shall not be represented by the EA.

SECTION 16.03 INTERN AND FELLOWS PROGRAM

The District operates an Intern and Fellows Program. In connection with these actions, the District and the EA agree that individuals appointed to Intern classifications (as defined below) or fellows shall be allowed to perform bargaining unit work based on the conditions set forth in this Agreement, except as provided in Section 16.03(C)(1) below.

PART A: COLLEGE INTERNS

1. The EA and the District shall mutually establish College Intern Program guidelines and College Intern classifications. The District shall have the right to determine where Interns are assigned. The District agrees Interns shall perform work consistent with the class specification only.
2. The District has the right to determine the number of College Interns to use in this Program. The cumulative hours for all College Interns shall not exceed 4,000 hours in each calendar year.
3. The District has the right to determine each College Intern's work schedule. The District shall be allowed to assign intermittent, part-time or full-time work schedules to College Interns. College Interns shall not be assigned work in excess of 40 hours in a workweek. College Interns are subject to the Fair Labor Standards Act (FLSA).

PART B: HIGH SCHOOL INTERNS

1. The EA and the District have established the High School Intern Program guidelines and the High School Intern classification. The District shall have the right to determine where High School Interns are assigned. The District agrees High School Interns shall perform work consistent with the class specification only.
2. The District has the right to determine the number of High School Interns to use in this Program. The cumulative hours for all High School Interns shall not exceed 2,000 hours in each calendar year.
3. The District has the right to determine each High School Intern's work schedule. The District shall be allowed to assign intermittent, part-time or full-time work schedules to High School Interns. High School Interns shall not be assigned work in excess of 40 hours in a workweek. High School Interns are subject to FLSA. High School Interns shall not be eligible to perform work done by regular employees as an overtime assignment that includes but not limited to, home and garden shows, county fairs, lawn mower exchange programs, wood stove exchange programs, ethnic celebrations and earth day fairs.
4. The District shall report to the EA in writing the names, classifications, cumulative hours of work on a quarterly basis.

5. High School Interns shall not be eligible to become members of the EA and are not covered by the MOU.

5. Fellows shall not be eligible to become members of the EA and are not covered by the MOU.
6. The pay rate for Fellows shall be determined by the sponsoring educational institution or public agency.

PART D: VIOLATIONS OF THIS AGREEMENT

1. If the EA believes this Side Letter is being violated, the President or designee shall request a meeting with the Human Resource Officer or designee to review concerns. The meeting shall be held within 5 calendar days of the request. In the event matters are not resolved to the EA's satisfaction, at the sole discretion of the EA, the EA may move any alleged violation of this Agreement to binding arbitration, beginning at Section 4.09 of the MOU. If an arbitrator determines that the District violated any provision in Part A and/or Part B of this Agreement, then Part A and/or Part B inclusive shall automatically be rendered null and void and terminated. For example, if an arbitrator determined that the District only violated a provision in Part A of this Agreement, the District would terminate the College Intern Program. The High School Intern Program would not be affected. If an Intern Program is terminated, all Interns in that program shall be terminated within 7 calendar days from the date of receipt of the arbitrator's decision. If an arbitrator determines that the District violated any provision in Part E of this Agreement, then Part A and Part B shall automatically be rendered null and void and terminated.

2. Upon termination of Part A and/or Part B, as a result of the arbitrator's decision, the District shall have the right to discontinue the work performed by an Intern or offer current bargaining unit employees overtime to complete the work that was previously performed by the Interns.

PART E LAYOFFS AND BUMPING

Except as provided under Section 16.02 of the MOU, if for any reason layoffs and/or bumping is implemented, then all non-regular employees (e.g. temporary part-time or full time worker, College Intern or High School Intern) performing bargaining unit work shall be terminated prior to layoffs and/or bumping of any regular bargaining unit employee. A regular employee is an employee who is hired on a permanent basis.

LTCE appointments shall not exceed the duration of the designated funding source. A written contract shall be signed by the District and LTCEs specifying the duration of the contract employment and the funding source(s). The duration of the contract employment may be extended when the funding source(s) is extended. The District will provide the Association with a copy of each contract including the associated class specification.
 - B. When the designated funding source terminates, either for an individual position or the program, LTCE positions will be terminated accordingly.
 - C. For the period during which this MOU is in effect ending July 1, 2025, the total number of LTCEs shall not exceed 19. After July 1, 2025, and in the absence of a subsequently negotiated limit, the total number of allowable LTCEs shall be no more than 19 or 60% of the total number of filled bargaining unit positions, on July 1, 2025, totaled across both the Technology Implementation Office (TIO) and Strategic Incentives Division (SID) Divisions, whichever is greater.

2. For LTCE appointments only, a separate promotional recruitment process may run concurrently with an open recruitment process.
- A. The Association waives Article 16.01 Sections 8 A, B and C of the MOU for these LTCE appointments only.
 - B. Qualified regular full-time employees shall be considered prior to consideration of candidates from an open recruitment.

The Employee Relations Officer shall be guided by the policy of the Board that any single representation unit shall encompass as many position classifications as possible consistent with the full use by employees of the privileges of organization and representation established by this article. Within the limits of this policy, criteria used in recommending representation units may include, but shall not be limited to, such factors as community of interest among employees and the general field of work. No unit shall be established solely on the basis of the extent to which employees in the proposed unit have previously organized.

- (d) If the request for recognition shows a proof of employee approval of thirty percent (30%) of the employees within the unit and no challenging petition is filed within ten (10) working days following the date of notice, or, if two or more requests are filed, the Employee Relations Officer, upon verifying all petitions, shall cause a secret election to be conducted or supervised by an agency independent of the District. All the employees of the representation unit shall be given the opportunity to choose among the petitioning employee organizations and no organization. Full-time employees within the representation unit on the payroll immediately preceding the election shall be entitled to vote.

If a majority of such ballots cast is for no organization, the Board shall certify that no recognized employee organization represents the employees within the representation unit. If none of the choices on the ballot receives a majority of the ballots cast, a run-off election shall be held between the choices receiving the two highest number of votes. The Board shall certify as the recognized employee organization for the representation unit the choice receiving the most votes in a valid election, or shall certify that no recognized employee organization represents the employees within the representation unit. For any election provided for in this article to be valid, at least fifty percent (50%) of the eligible voters must vote. The Board shall make its official certification within fifteen (15) working days of the official notification of the election results.
- (f) A request for de-certification of a recognized employee organization or for the certification of an employee organization other than the organization currently certified must be accompanied by, or, in the form of, a petition executed by at least thirty percent (30%) of the employees within the representation unit. The Board may also initiate a de-certification petition where, because of substantial changes in District functions, organizational structure, or job classifications within the representation unit, it appears that the recognized employee organization no longer retains significant support among employees within the representation unit. No de-certification petition under this section shall be filed earlier than two (2) years following certification of the recognized employee organization or earlier than one hundred and twenty (120) days and no later than ninety (90) days prior to the expiration of the period of time covered by an agreement or memorandum of understanding. 10.6

MEETINGS.

- (a) The Employee Relations Officer, and/or others as designated by the Board or APCO, shall meet and confer with representatives of recognized employee organizations on matters within the scope of representation. The recognized employee organizations shall be advised of the name and address of the Employee Relations Officer.
- (b) It is in the interest of the District and of recognized employee organizations that the annual meet and confer process on the subject of salaries, fringe benefits and conditions of employment be brought to a mutually agreeable conclusion prior to that time when the Board adopts its annual budget for the District, which normally takes place in June. In order to meet this goal, the representatives of the District and of the recognized employee organization or organizations shall endeavor to adhere to the following schedule for the conduct of the annual meet and confer process.
- (c) By February 15 of each year, the APCO shall designate three management employees to serve with the Employee Relations Officer as the Board's designated representatives in that year's meet and confer process. The APCO shall designate one of these individuals to serve as chief negotiator.
- (d) During the month of February of each year, the members of the recognized employees organization or organizations should confer among themselves in order to agree upon a list of issues within the scope of representation which the members of the recognized employee organization or organizations wish to address in the course of that year's meet and confer process. In addition, management representatives shall meet and confer among themselves in order to agree upon a list of issues to be addressed in the course of that year's meet and confer process. To the extent practicable, this list shall be drafted in the form of proposed language changes to the then existing memorandum of understanding between the District and the recognized employee organization. These lists should be exchanged by no later than the end of February of each year. **(Revised 9/6/95)**
- (e) The Board's designated representatives shall meet with the designated representatives of the recognized employee organization or organizations at a mutually acceptable time as soon as possible after the submission of each employee organization's list of issues.
- (f) The APCO shall present the matters set forth in each employee organization's list of issues to the full Board at a closed session to be held at the second regularly scheduled Board meeting in March. At this session, the Board shall instruct its designated representatives as to the Board's position on the issues to be addressed during that year's meet and confer process including any issues raised by the Board or by management.
- (g) Beginning in April of each year and until the meet and confer process is concluded, each regularly scheduled Board meeting shall have a designated brief closed session in order for the designated representatives to update the Board on the progress of that year's meet and confer process and, if necessary, to enable the Board to modify its instructions to its designated representatives concerning the subjects at issue.
- (h) To the extent practicable, the designated representatives of the Board and of the recognized employee organization or organizations shall meet as often as necessary during the course of the meet and confer process. The parties shall endeavor to bring the meet and confer process to a mutually agreeable conclusion by the first scheduled Board meeting in June.

- (i) The purpose of the meet and confer process is to promote an amicable resolution of issues within the scope of representation. This purpose is best served by following the procedures outlined above. For this reason, it is the view of the Board that the spirit of good faith and mutual obligation which the meet and confer process is intended to foster would be compromised if any recognized employee organization, its officers or designated representatives, or the designated representatives of the Board, were to circumvent these procedures or deviate from the meet and confer process with respect to any matter which is the subject of an on-going meet and confer process.
- (j) The District staff will furnish any recognized employee organization, on request, with sufficient data on wage rates, job classifications and related matters to enable the recognized employee organization to bargain understandingly and to prepare for meet and confer sessions.
- (k) If after a reasonable period of time, the representatives of any recognized employee organization and the designated representatives of the Board fail to reach agreement concerning any subject matter at issue during an on-going meet and confer process, the Board and the recognized employee organization together may agree upon the appointment of a mediator mutually agreeable to the parties. Costs of mediation shall be divided one-half to the District and one-half to the recognized employee organization.
- (l) The procedures outlined in Section I-10.6(b) are intended to apply to issues within the scope of representation which are normally addressed in connection with the District's annual budget process. In the event that other issues within the scope of representation arise outside of the time frame outlined in Section I-10.6(b), either the affected recognized employee organization or organizations, or the Employee Relations Officer, may request in writing that the designated representatives of each party meet and confer concerning said issue or issues. The designated representatives of each affected party shall meet at a mutually acceptable time as soon as possible thereafter concerning the issue or issues specified in said written request.
- (m) All meetings shall occur at District facilities, unless otherwise mutually agreed.
- (n) If the subject of a meeting affects more than one representation unit, a joint meeting will be held with all of the recognized employee organizations affected.
- (o) If agreement is reached, the participants shall jointly prepare and sign a written memorandum of such understanding, which shall be presented to the Board for determination and shall not be binding until approved by the Board.
- (p) Unless otherwise mutually agreed, no more than four (4) District employees, who are representatives of each recognized employee organization, shall be granted reasonable time off without loss of compensation or other benefits when formally meeting and conferring with designated Board representatives on matters within the scope of representation.
- (q) Timely requests in writing for reasonable time off for the purpose of Section I-10.6(p) shall be submitted to the employee's department head or his/her designated representative. Such requests shall include:
 - (1) the name of the employee;
 - (2) the name of the organization represented;
 - (3) the time, place, nature and estimated duration of the meeting.

Any such request may be denied by the department head on the basis of an operational emergency, the existence of which shall be reported by the department head to the Employee Relations Officer, who shall then contact the representative of the

recognized employee organization, so that the meeting may be re-scheduled, if the recognized employee organization so desires.

- (r) Except in cases of emergency as provided in Section I-10.6(s), the Employee Relations Officer shall give reasonable written notice to each recognized employee organization affected of any ordinance, rule, resolution, or regulation directly relating to matters within the scope of representation proposed to be adopted by the Board and shall give such recognized employee organization an opportunity to meet with the Employee Relations Officer of the District.
- (s) In cases of emergency when the Board determines that an ordinance, rule, resolution or regulation must be adopted immediately without prior notice or meeting with a recognized employee organization, the Board shall provide such notice and opportunity to meet at the earliest practicable time following the adoption of such ordinance, rule, resolution, or regulation.

10.7 ACCESS TO EMPLOYEES DURING WORKING HOURS.

- (a) Any authorized representative of an employee organization seeking recognition under this article has the right to contact individual employees working within the proposed or existing representation units in District facilities during business hours on matters within the scope of representation, except on matters outlined in Section I-10.7(c) below, providing prior arrangements have been made for each such contact with the department head or his/her designated representative, who shall grant permission for such contact if it will not disrupt the business of the work unit involved. When contact on the work location is precluded by confidentiality of records, or of work situation, health and safety of employees or the public or by disturbance to others, the department head shall have the right to make other arrangements for a contact location removed from the work area.
- (b) Meetings of representatives of employee organizations seeking recognition under this article and a group of employees shall not be permitted during working hours. The Employee Relations Officer or his/her designated representative may, upon timely application, allow meetings of a representative of an employee organization seeking recognition and a group of employees during the lunch period in District facilities and at convenient dates.
- (c) No contacts shall be permitted during working hours with employees regarding membership, collection of moneys, election of officers, or other similar internal employee organization business.
- (d) Unless otherwise agreed, employees or representatives of employee organizations shall not be permitted to attend meetings or conferences called by District personnel concerning matters arising out of the normal course of District activities.

10.8 AGENCY SHOP. (Revised 8/6/94)

- (a) The District shall deduct and transfer to the Association dues for members of the Association and agency fees for non-member probationary and regular employees who are in job classifications which are non-management and non-confidential.
- (b) Within thirty (30) days from the date of hire any employee who is in a non-management and non-confidential classification may become a dues paying member of the Association or, subject to subsection (e) below, shall thereafter pay an agency fee, in an amount equal to the Employee Association's dues, to the Association. **(Revised 9/6/95)**

- (c) Dues and agency fees shall be withheld by the District twice monthly, and shall be transferred monthly with an itemized statement to the Association member designated in writing as the person authorized to receive such funds, at the address specified.
- (d) The District shall not be obligated to put into effect any new, changed, or discontinued deduction until the pay period commencing after such submission.
- (e) No District employee shall be required to join the Association or to make an agency fee payment if the District employee is an actual verified member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting employee organizations; or if the District employee has personal moral objections to joining or financially supporting employee organizations. Such employee must, instead, arrange to satisfy his/her obligation by donating the equivalent amount to a non-labor, non-religious charitable fund chosen by the employee, which is tax exempt under Section 501(c)(3) of the Internal Revenue Code (IRC).

SECTION 5 ALLOWABLE EXPENSES

5.1 DIRECTOR TRAVEL EXPENSES. (REVISED 12/15/21)

Board Members are entitled to receive reimbursement for actual and necessary expenditures incurred in connection with the performance of their official duties for the Bay Area Air Quality Management District (BAAQMD). The guiding principle of this policy is that travel and expenditures incurred on behalf of BAAQMD must be in the public interest. This document establishes guidelines for expenditures authorized as business expenditures and business travel expenditures incurred by BAAQMD Board Members.

a) General Procedures and Responsibilities

All travel for BAAQMD Board Members must be justified business travel (Section j) and must be preapproved in accordance with the Administrative Code to be eligible for reimbursement. For all in-state travel, the Chair may authorize Board Member travel on behalf of BAAQMD. For all out-of-state travel, including international travel, the Administration Committee must authorize Board Member travel on behalf of BAAQMD prior to travel. In the case of an unexpected or urgent need to travel on BAAQMD business, a Board Member may obtain the approval of the Chair, in writing, before the expenditures are incurred. Such approval must be reported to and ratified by the Administration Committee at the committee's next meeting.

Board Members will be reimbursed for all reasonable and necessary expenditures while traveling on authorized agency business. Expenditures should be paid with a personal credit card or cash. Advances are not allowed. A list of non-reimbursable expenditures is included in Section j. Actual receipts are almost always required except where otherwise stated in this Policy.

When a Board Member combines business and personal travel on a business trip, the Board Member will be responsible for the additional charges related to the personal travel. Only Board Member's direct travel expenditures are eligible for reimbursement. BAAQMD is unable to provide reimbursement for travel expenditures incurred by a spouse or any another individual traveling with the Board Member.

Requests for reimbursement of expenditures must be submitted on the authorized BAAQMD Expense Reimbursement Form within 30 calendar days after the conclusion of the trip. Receipts must be provided for all expenditures (other than incidentals that typically do not result in a receipt such as tips). Any reimbursement or payment issued by BAAQMD which is subsequently refunded to the traveler by a third party must be repaid to BAAQMD within 30 calendar days of receipt.

Only the Executive Director can override and approve specific cost items that would otherwise be ineligible for reimbursement under this Travel and Expenditure Policy, and only when it is in the best interests of BAAQMD to do so. Any Board Member reimbursement that requires the waiver of this policy by the Executive Director for approval will be brought back to the Administration Committee for informational purposes.

Expenditure reimbursement documents will be audited from time to time and are considered public records subject to disclosure under the California Public Records Act.

Any Board Member authorized to travel on behalf of BAAQMD pursuant to this section shall provide a brief, written report on their travel on the Board Member Travel Report Back Form. The Chair may also request that Board Members who represent BAAQMD at meetings, conferences, or other events provide an oral report on their participation and experience to the Board.

b) Board Member Selection for Attendance

The Chair shall nominate for approval by the Administration Committee, Board Members for out-of-state and international travel to attend conferences, conventions, legislative advocacy trips and other forms of reimbursable travel covered by this policy. In making such nominations, the Chair shall solicit the interest of Board Members and consult with the Executive Director and any other relevant BAAQMD staff to ensure compliance with this policy.

The Chair, Vice Chair or Secretary shall have priority to represent BAAQMD at any event where attendance is limited or capped due to cost or capacity. In considering which other Board Members may be selected for travel, or who shall represent BAAQMD in the stead of the Executive Officers, the Chair shall consider, at a minimum, all the following:

- The history of attendance and participation by Board Members at regular BAAQMD Board and Committee Meetings
- The length of service on the Board by a Board Member
- The prior opportunities to travel and represent BAAQMD by Board Members
- The relevance or appropriateness of Board Members' committee assignments to the nature and purpose for the travel
- Opportunities for the professional growth or development of new Board Members
- The relevance and purpose of a meeting or agenda to the home jurisdiction of Board Members
- Equitable considerations that would elevate or include the voices of marginalized members of the Bay Area.

Additionally, the Chair shall have the authority to recommend non-Board Members for inclusion in BAAQMD-related travel. In making such a recommendation, the Chair shall demonstrate how and why the recommendation fulfills the mission of BAAQMD and is consistent with the goals of the Board and agency.

c) Conferences/Conventions

Registration fees for conferences and conventions are reimbursable for Board Members if the conference or convention is directly related to the mission of BAAQMD, the Board Member is attending as a representative of BAAQMD and the Board Member received preapproval from the Administration Committee.

d) Air Travel

Board Members flying on business should make reservations as early as possible to minimize costs.

For domestic air travel with a flight duration of four hours or less, airfare should be purchased for coach/economy seats only, at the lowest cost possible which provides a practical flight itinerary and meets the requirements of the trip. First and business class airfare is not a reimbursable expenditure, nor are upgrades from the lowest coach/economy fare to "economy plus" seats (or equivalent), or to first or business class. If a Board Member purchases a first or business class ticket, he/she will be reimbursed for the lowest available coach/economy fare only.

For domestic air travel with a flight duration of more than four hours, as well as for international travel, airfare may be purchased at the "economy plus" fare/seats. First and business class airfare is not a reimbursable expenditure, nor are upgrades to first or business

class. If a Board Member purchases a first or business class ticket, he/she will be reimbursed for the lowest available “economy plus” fare only.

Board Members will be reimbursed for regular baggage fees charged pursuant to applicable airline policy. Excess baggage charges will be reimbursed only when the Board Member is traveling with heavy or bulky materials or equipment necessary for BAAQMD business.

e) Hotel Accommodations

When making hotel reservations, Board Members must use the approved Per Diem Rates for lodging located on the General Services Administration (GSA) website, www.gsa.gov for the location of the stay plus 25%, to determine the maximum hotel accommodation expenditure that BAAQMD will reimburse per night, plus any applicable taxes.

Board Members should use hotels where government rates are available. Hotels that subscribe to a “green” standard must be utilized where available.

If the hotel stay is in connection with a conference or training activity, the cost should not exceed the maximum group rate published by the conference or activity sponsor. Inquiries should always be made about any special rates or discounts available to BAAQMD by the hotel, such as governmental rates, to get the best rate possible.

If accommodations are shared with individuals who are not traveling on BAAQMD business, the Board Member is responsible for the payment of any rate difference between the single occupancy room rate and actual rate incurred.

Resort or facility use fees imposed by the hotel, such as fitness center fees and internet connection fees and business center charges incurred for performing BAAQMD work, are allowable as reimbursable business-related expenditures.

Hotel self-parking fees are also allowable as reimbursable business-related expenditures, however, the cost of parking at the hotel should be considered when deciding whether to rent a vehicle or use public transportation (see Transportation discussion below). Valet parking fees will not be reimbursed.

f) Rental Vehicles

Reimbursement for rental of cars or other vehicles while traveling on BAAQMD business is limited to those circumstances where the need for a vehicle for business purposes is expected to be extensive, or the use of taxi services or public transportation would not be economical or practical. Board Members who operate vehicles on BAAQMD business must have a valid driver’s license and proof of insurance in their possession and must also have a good driving record.

In the event a rental vehicle is required, BAAQMD will reimburse for a “Standard Class” size vehicle or alternative fuel vehicle, except when there are justifiable circumstances, such as group requirements, which make a larger vehicle necessary. The use of alternative fuel vehicles should, when available, should be used, even if the cost triggers a surcharge or exceeds the cost of a non-alternative fuel vehicle.

BAAQMD holds liability insurance to cover third parties in case a Board Member injures someone or causes property damage to another vehicle while renting a car or driving his/her own personal vehicle while engaging in BAAQMD business. Accordingly, rental car insurance is not an allowable reimbursable expenditure.

Rental cars should be returned with a full tank of gas to avoid refueling fees. The cost of gas for rental cars is an allowable expenditure under this policy.

g) Meals While Traveling

One-Day Travel – meals are NOT an allowable reimbursable expenditure for one-day travel unless such travel is more than 25 miles one way from either the Bay Area Metro Center or the Board Member’s personal residence.

Multiple-Day Travel – meals will be reimbursed at the lesser of:

- i) Actual reasonable cost (including applicable taxes and reasonable tip), or
- ii) The Per Diem Rates for meals located on the GSA website, www.gsa.gov for the location of the stay plus 25%. Note that separate rates are provided for Breakfast, Lunch and Dinner. For travel days where a Board Member has traveled more than 12 hours but less than 24 hours, the Per Diem Rate shall be 75% of the GSA rate for the destination.

If the actual cost method is used, an original itemized receipt must be submitted with the expense report form. If meals are provided by an event or conference the cost for which is paid by BAAQMD, then no separate reimbursement is allowed for that meal. A Board Member who pays the bill for a meal attended by more than one Board Member or BAAQMD employee may submit the expenditure with receipt for the combined meal cost, but all attendees’ names must be included on the expense report form. Only costs related to Board Members and BAAQMD employees’ meals are eligible for reimbursement. Costs incurred for any other person at such a meal (including applicable taxes and appropriate allocation of any tip) must be deducted from the amount of the requested reimbursement.

Board Members who claim the allowable Per Diem Rate from the GSA website should print the page for the location of the meeting or conference from the website to attach to their expense report form. In addition, they should retain their actual receipts to substantiate out-of-pocket expenses in the event of an audit by the State or IRS.

Alcoholic beverages are not a reimbursable expenditure. Alcoholic beverages may appear on the itemized receipt for a meal, but the charge (including applicable taxes and appropriate allocation of any tip) must be deducted from the amount of the requested reimbursement.

Entertainment expenditures are not considered reimbursable expenditures. This includes, but is not limited to, meals unrelated to BAAQMD business, movies, shows, etc...

h) Other Meals

Expenditures for business meals other than meals during travel, such as meals with other elected officials where BAAQMD business is discussed, must be preapproved by the Executive Director. To obtain reimbursement for such expenditures, the following documentation is required and must be recorded on the expense report form or backup documentation:

- i. Names of individuals present along with their titles and affiliation,
- ii. Name and location of where the meal took place,
- iii. Exact amount and date of the expenditure, and
- iv. Specific BAAQMD-related topics discussed.

i) Miscellaneous Travel Expenditures

Ordinary, reasonable, and necessary miscellaneous expenditures are reimbursable at actual cost when accompanied by itemized receipts and justification for the expenditures including WiFi, phone, fax, and similar expenses.

In-flight phones and WiFi services should be used only in emergency situations.

Tipping – reasonable and customary tipping rates are reimbursable. In the US 15-20% gratuity on meals, up to a \$3 baggage handling gratuity and up to \$5 per day housekeeping

gratuities are considered reasonable and are allowable. (Receipts for baggage and housekeeping gratuities are not required for reimbursement.)

Transportation – Fares and expenditures for taxis, shuttles, buses, BART, or other public transportation (including Uber, Lyft or similar services) are reimbursable when incurred for BAAQMD business. Receipts should be obtained whenever possible, but expenditures are still eligible for reimbursement when a receipt is unavailable. If a receipt is not available, a printout from the transportation agency showing the fare must be submitted for reimbursement. For example: a printout from the BART website showing the total fare for the trip taken. Board Members should apply prudent business judgment in determining the means of transportation to use.

Personal/Private Vehicle Usage – Board Member’s use of a personal/private vehicle is reimbursable at the mileage rate established by the IRS which can be found at www.irs.gov. Details on the date of travel, starting and ending destinations, purpose of travel, miles driven, tolls and parking costs (receipt required when possible) incurred must be provided on the expense report form. A printout from a map website such as Google Maps should be used to determine the total miles driven and must be submitted with the expense report form. Board Members who operate vehicles on BAAQMD business must have a valid driver’s license and proof of insurance in their possession, and a good driving record.

j) Justified BAAQMD Travel

Justified BAAQMD travel trips include but are not limited to:

- Attending meetings with local representatives in Sacramento or Washington DC or Sacramento with BAAQMD Staff for legislative advocacy purposes.
- Attending the AWMA Conference as a BAAQMD representative
- Attending other air quality-related conferences as a BAAQMD representative
- Attending the annual COP Climate Conference as a BAAQMD representative

NOTE: Justified travel is not limited to the list provided above. This list is provided for reference purposes only and includes the most common examples of justified travel. All trips must be preapproved, regardless of whether they are included on this list.

k) Non-Reimbursable Expenditures

(5) Limited Term employees.

- (d) Notwithstanding Section 3.3(c), any existing District employee who is appointed to the Deputy Executive Officer or Senior Assistant Counsel classification after January 1, 2023, but prior to January 1, 2024, shall be entitled to return to a vacant position in the last classification they held prior to their appointment to the Deputy Executive Officer or Senior Assistant Counsel classification, and at the same salary step they held prior to their appointment to their appointment to the Deputy Executive Officer or Senior Assistant Counsel classification. Reinstatement to the vacant position shall occur upon the termination of their appointment to the Deputy Executive Officer or Senior Assistant Counsel classification, whether that occurs (1) at the end of a specified term, (2) due to their voluntary request to vacate the classification, or (3) at the discretion of the District Counsel or Executive Officer/APCO.
- (1) For a Deputy Executive Officer, if no vacant position exists in the employee's previously-held classification, the employee shall be offered alternate employment by the District. The form of alternate employment shall be at the discretion of the Executive Officer but may include a vacant position in any classification for which they meet the minimum qualifications as determined by the Executive Officer, reclassification of an existing position, or creation of a new position. Alternatively, the Executive Officer/APCO may reclassify a Deputy Executive Officer position to a lower classification. Employees under this provision will be placed at the salary step closest to the current pay for the salary prior to their appointment to the Deputy Executive Officer classification. If the top step of the salary range for the employee's new position is lower than the current pay for the salary the current pay for the prior to their appointment to the Deputy Executive Officer classification, the employee's salary will be Y-rated at the current pay for the salary step they held prior to their appointment to the Deputy Executive Officer classification, without the need for additional Board approval under Section III-6.5.
 - (2) For a Senior Assistant Counsel, if no vacant Assistant Counsel position exists, the District Counsel shall reclassify the Senior Assistant Counsel position to Assistant Counsel, and reclassify an existing Assistant Counsel position to Senior Assistant Counsel. In the event of reclassification of a Senior Assistant Counsel under this paragraph, the reclassified Senior Assistant Counsel will be placed at the Assistant Counsel salary step they occupied prior to appointment to the Senior Assistant Counsel classification.
 - (3) Employees who have not completed probation prior to being appointed to the Deputy Executive Officer or Senior Assistant Counsel classification will be required to complete probation in their reinstated position after reinstatement and will have only those rights accorded probationary employees by these rules.
 - (4) Employees appointed pursuant to this Section III-3.3(d) are subject to discipline up to and including suspension while in the classification of Deputy Executive Officer or Senior Assistant Counsel without appeal. However, if the District seeks to terminate an individual who had already passed probation in a District classification with appeal rights, the individual will first be removed from the Deputy Executive Officer or Senior Assistant Counsel classification and reinstated to another classification as provided in Section III-3.3(d)(1) or III-3.3(d)(2), above. The District may then initiate disciplinary proceedings up to and including termination and the employee may appeal that termination pursuant to the grievance procedure defined in Section III- 4. The discipline may be based in whole or in part on conduct which occurred in the Deputy Executive Officer or

Senior Assistant Counsel classification. However, any reinstatement would be to the employee's current (civil service) classification. Discipline imposed on an employee in a Deputy Executive Officer or Senior Assistant Counsel classification may be used for purposes of progressive discipline.

3.4 OATH OF ALLEGIANCE.

Employees of the District will sign an oath of allegiance as required by the laws of the State of California.

3.5 PHYSICAL EXAMINATIONS.

A physical examination or a personal statement of good health may be required by the District after an employment offer has been made.

3.6 SEXUAL HARASSMENT AND OTHER UNACCEPTABLE CONDUCT.

In order to ensure a work environment that is free from all forms of unlawful discrimination or harassment, the following kinds of conduct, as defined by the Federal Equal Employment Opportunity Commission (EEOC), are prohibited:

"Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment."

The regulations of the California Fair Employment and Housing Commission also define harassment broadly to include:

- (a) Verbal harassment, e.g., epithets, derogatory comments or slurs (on the basis of race, religious creed, color, national origin, ancestry, disability, medical condition, marital status, sex, age, or sexual orientation);
- (b) Physical harassment, e.g., assault, impeding or blocking movement, or any physical interference with normal work or movement when directed at an individual (on the basis of race, religious creed, color, national origin, ancestry, disability, medical condition, marital status, sex, age, or sexual orientation);
- (c) Visual forms of harassment, e.g., derogatory posters, cartoons, or drawings on the basis of race, religious creed, color, national origin, ancestry, disability, medical condition, marital status, sex, age, or sexual orientation;

3.7 EMPLOYEES' TIME OFF TO VOTE.

Employees who wish to vote in the national and state elections may claim time off to vote under the provisions of the State Election Code, Section 14350:

"If a voter does not have sufficient time outside of working hours to vote at a statewide election, the voter may, without loss of pay, take off enough working time which when added to the voting time available outside of working hours will enable the voter to vote.

No more than two hours of the time taken off for voting shall be without loss of pay. The time off for voting shall be only at the beginning or end of the regular working shift, unless otherwise mutually agreed.

If the employee on the third working day prior to the day of election knows or has reason to believe that time off will be necessary to be able to vote on election day, the employee shall give the employer at least two working days' notice that time off for voting is desired, in accordance with the provision of this section."

3.8 DRUG-FREE WORKPLACE.

The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance on District premises or while conducting District business off-premises is prohibited. Violations of this policy will result in disciplinary action, up to and including termination, and may have legal consequences.

The District recognizes drug dependency as an illness and a major health problem. Employees needing help in dealing with such problems are encouraged to use the District's employee assistance referral program and health insurance plans, as appropriate. Conscientious efforts to seek such help will not jeopardize any employee's job, and will not be noted in any personnel record.

Employees must, as a condition of employment, abide by the terms of the above policy and report any conviction under a criminal drug statute for violations occurring on or off District premises while conducting District business. A report of the conviction must be made within five (5) days of the conviction.

3.9 SAFETY

The District subscribes to and fully supports the purpose, principles, and intent of the Occupational Safety and Health Act of 1970 and complies with all applicable Federal and State laws which relate to health and safety. The District has established a Safety Committee to assist in compliance with the Act. The Safety Committee shall be comprised of two members of District management and three members chosen by the Association, with at least one from each unit, and the members shall choose a chairperson from its members to serve a term of one year. The Personnel manager shall serve as an ex-officio member.

The Safety Committee shall make inspections of the work place as needed. They will meet once every two months to discuss safety matters, including serious accidents and accidents which result in lost time as soon after the occurrence as practical. The Committee shall provide a summary of the meeting and accident findings to the APCO. The APCO shall respond to the Safety Committee's recommendations within ten (10) working days.

Employees shall report unsafe working conditions to their immediate supervisor and may report these conditions to the Safety Committee.

3.10 WORKPLACE VIOLENCE

The District is committed to providing a safe workplace for all employees, which includes preventing workplace violence. In order to achieve this objective, the cooperation of employees and their supervisors is critical. Both employees and supervisors should be aware of early warning signs of potentially violent situations and how to respond. Threatening words or actions should be treated seriously. In the event that a violent or potentially violent situation does arise, the following steps are to be followed:

- (a) If there is an immediate threat to the personal safety of an employee in the field, the employee shall contact local law enforcement authorities as soon as possible. The employee shall thereafter contact his or her immediate supervisor and Division Director and shall completely describe the situation.
- (b) If there is an immediate threat to the personal safety of an employee in the District offices, the employee shall contact District security by dialing 5158, or if there is no answer after two rings, by dialing 0 and asking the operator to send District security to

the employee's work area. The employee shall thereafter contact his or her immediate supervisor and Division Director and shall completely describe the situation.

- (c) As soon as possible after any such incident, the employee shall complete a Critical Incident Report. All such reports shall be routed to the District Legal Division and to the Personnel Section of the Administrative Division through the APCO. The Personnel Section shall maintain a Critical Incident Log of all such reports. The Legal Division shall review each such incident and shall make a formal recommendation to the APCO regarding further action to be taken.
- (d) Within one week after receiving the Legal Division's recommendation, the APCO shall prepare a memorandum setting forth the key facts of the incident and the APCO's formal determination of further action to be taken as a consequence of the incident. This memorandum shall be forwarded to the Personnel Section to be maintained as part of the Critical Incident Log and shall be distributed to all Division Directors for dissemination to District employees who might encounter a similar incident in connection with their workplace activities.

3.11 SMOKEFREE WORK SITE

In recognition of the District's leadership role in public health and air quality, and inasmuch as smoking is a leading contributory factor in many causes of death in California, the District hereby adopts a policy that promotes nonsmoking at the work site.

It is the intent of the District to provide a work atmosphere which is as free as is practicable of tobacco use and its undesired effect. This policy is applicable to all District facilities or other areas controlled by the District, whether leased or owned, including space in buildings shared with other agencies or businesses. This policy shall extend to District-owned vehicles unless specifically exempted by the APCO because the vehicle is only used by smokers.

- (a) DEFINITION: "Smoking" means inhaling, exhaling, burning, or carrying a lighted cigarette, cigar, pipe, or other lighted smoking equipment for tobacco or any other plant.
- (b) IMPLEMENTATION: Smoking is strictly prohibited in the District office and satellite offices except the following designated areas:
 - 1) On the District Office roof area
 - 2) Portals (open to atmosphere) that lead to the rear emergency exit stairwell (however, smoking in the stairwell itself shall always be prohibited)

Designated smoking areas may be redefined if the District finds that smoke from these areas interferes with the health and safety of District employees.

"Smoke breaks" will be permitted at the discretion of the supervisor and the employee, in lieu of regular breaks or rest periods.

- (c) ADMINISTRATION OF THIS POLICY: Managers and supervisors are responsible for informing all employees in their charge of the District's smoking policy. All new hires will be advised during orientation to the District.
- (d) CONFLICT RESOLUTION: Alleged violations of the policy may be reported through the existing Safety incident report process as specified in the Memorandum of Understanding. Employees violating the policy will be subject to disciplinary measures, including termination of employment.

3.12 Fraud, Misconduct, and Dishonesty in the Workplace. (Addition 1/02/09)

- (a) It is the policy of the District to prevent, investigate and correct fraud, misconduct and dishonesty in the workplace.
- (b) No employee shall commit fraud or acts of misconduct or dishonesty against the District or in connection with his or her District employment.
- (c) Fraudulent acts and acts of misconduct and dishonesty in District employment include, but are not necessarily limited to, the following:
 - Forgery or unauthorized alteration of District financial records, including checks and warrants payable to or by the District;
 - Misappropriation of District goods or assets, e.g., furniture, fixtures, equipment, and office supplies;
 - Misappropriation of District funds and securities;
 - Falsification of employee timesheets or District work reports and products;
 - Knowingly false reporting or handling of District funds for financial transactions;
 - Having a personal financial interest in any purchase, sale or contract with a vendor or contractor made by the employee in his or her capacity as a District employee;¹
 - Unpermitted personal use or receipt of District assets, goods, funds, and services;
 - Unauthorized solicitation or acceptance of, gifts, gratuities, or other consideration from contractors, vendors or consultants providing goods or services to the District;
 - Solicitation of, asking, acceptance of, or agreement to accept any gratuity, gift or other consideration from someone other than the District for performing District employment;²
 - Solicitation of, asking, acceptance of, or agreement to accept a bribe for taking action in one's capacity as a District employee in a matter that is pending or that may take place;³
 - Knowingly unpermitted disclosure of confidential or proprietary District information to non-District persons and entities;
 - Intentional or negligent, unpermitted destruction or damage of District goods or assets, e.g., furniture, fixtures, equipment, and office supplies;
 - Use of, or being under the influence of, alcohol or illegal drugs in the course of performing District duties and responsibilities; and
 - Willful failure to perform the duties and tasks of one's District employment.

¹ Cal. Government Code section 1090.

² Cal. Penal Code section 70.

³ Cal. Penal Code section 68.

- (d) Retaliation against an employee who reports reasonable suspicion of the existence or occurrence of an act of fraud, misconduct or dishonesty is prohibited.

SECTION 4 GRIEVANCE PROCEDURE

4.1 DEFINITION.

A grievance is an employee claim of (a) an alleged violation, misunderstanding, or misinterpretation of a specific section of the Memorandum of Understanding, or (b) any matter within the scope of the Meyers-Miliias-Brown Act, or (c) any disciplinary action or demotion, except for separations covered by Section III-9.3. (Layoff and Recall) or discipline involving individuals appointed to the classifications identified in Section III-3.3(c). The parties recognize that disputes should be resolved expeditiously at the lowest possible administrative level. Herein is a systematic procedure for obtaining consideration of grievances.

4.2 STEPS IN THE GRIEVANCE PROCEDURE.

STEP 1. An employee who believes he or she has a grievance will first discuss the grievance with his or her immediate supervisor. The employee must report the grievance to the supervisor within ten (10) working days after the occurrence. After meeting with the employee and attempting to resolve the issue, the supervisor will discuss the decision with the employee within ten (10) working days of the submission of the grievance.

STEP 2. If the employee is not satisfied with the decision at STEP 1, the employee may submit the grievance in writing within ten (10) working days to the Division Director. The written grievance will specify the particulars of the matter including specifically citing articles. The Association will be given written notice of grievances taken to STEP 2. The Division Director or a designee will discuss the grievance with the employee, attempting to resolve the issue, and will render a decision to the employee in writing within ten (10) working days of the submission of the grievance.

STEP 3. If the employee is not satisfied with the division's decision, the employee may submit the grievance in writing within ten (10) working days to the Air Pollution Control Officer. The written grievance will specify the same particulars of the matter including specific articles. The Air Pollution Control Officer or designee will discuss the grievance with the employee, attempting to resolve the issue, and will render a decision to the employee in writing within ten (10) working days of the submission of grievance.

STEP 4. If the employee is not satisfied with the Air Pollution Control Officer's decision, the employee may within ten (10) working days request of the APCO that the grievance be heard before an impartial grievance advisor. The written grievance will specify the same particulars of the matter including specific articles. Within ten (10) working days of receipt of such request, the APCO shall notify the appropriate agency with a request that copies of all future correspondence be sent to the grievant or grievant's representative.

The grievance advisor will be selected mutually by the District and the employee. The District and the employee will select a grievance advisor from the American Arbitration Association or the California Conciliation Service, depending on the nature of the grievance. The rules and procedures of the American Arbitration Association or the California Conciliation Service, as

applicable, will prevail, including its procedure for selecting an arbitrator who will serve in the capacity of grievance advisor.

The advisor will render a decision which will not be binding on either party. The grievance advisor will direct the decision to the grievance matter at hand and to the specific articles mentioned therein. Within five (5) working days of receipt of the advisor's decision, the APCO will review the findings and inform the employee of his decision.

The costs incurred for the grievance advisor will be borne equally by both parties to the grievance.

STEP 5. If the employee is not satisfied with the APCO's reconsideration, the employee may request the decision be heard by the Personnel Committee of the Board of Directors. The employee will submit the grievance to the Personnel Committee within fifteen (15) working days of the APCO's reconsideration. The Personnel Committee will schedule the grievance hearing within thirty (30) working days and will render a final decision in the matter. The Personnel Committee will consider only the record of the hearing before the grievance advisor and any additional statements which the employee and the APCO may wish to make. Pursuant to Code of Civil Procedure Section 1094.6, any petition for judicial review of the Personnel Committee's decision shall be filed in the appropriate court not later than 90th day following the date on which such final decision is rendered.

4.3 GENERAL PROVISIONS.

- (a) The time limits specified above may be extended to a definite date by mutual agreement of the employee and level of supervision specified in the steps outlined above.
- (b) Employees will be assured freedom from reprisal for using the grievance procedure.
- (c) Grievances involving disciplinary actions will commence at STEP 2 of the grievance procedure, except discharge cases, which will commence at STEP 3.
- (d) Employees may request the assistance of a steward or another person in preparing and presenting the grievance.
- (e) Failure of the employee to submit the grievance within the time limits of any step of the procedure will constitute a withdrawal of the grievance. Failure of the District to comply with the time limits set forth in this Article shall automatically move the grievance to the next level in the Grievance Procedure.

4.4 ASSOCIATION GRIEVANCE.

The Association may file a grievance, pursuant to Section III-4.2 above, on an alleged violation, misunderstanding, or misinterpretation of Division III of this Administrative Code or of the Memorandum of Understanding.

4.5 EMPLOYEE GRIEVANCES.

Employees may file a grievance, pursuant to Section III-4.2 above, regarding any alleged violation, misunderstanding, or misinterpretation of any matter within the scope of the Meyers-Milias-Brown Act which includes, but is not limited to, the following provisions of Division III of this Administrative Code: Overtime; Temporary Disability Leave; Military Leave; Leave Without Pay; Extended Leave of Absence; Jury Duty; and Subpoena as a Witness. Grievances regarding discrimination shall be filed according to the procedures of Section III-5.

4.6 NOTIFICATION.

At the time an employee is summoned to a supervisor's office for the purpose of being advised on an imminent disciplinary action, the employee is to be informed as to the purpose of the meeting and of his/hers right to representation. Documents to be used in any disciplinary proceeding against an employee shall include only materials, copies of which have been given to the employee.

SECTION 5 CLASSIFICATION PLAN

5.1 CLASSIFICATION PLAN.

The District's Classification Plan will include the organization of positions into classes based on the assigned duties, responsibilities and qualifications necessary to successfully perform the work. Maintenance of the plan is the ongoing responsibility of the Personnel Section. The Personnel Section will audit and update the plan as necessary, in order to effectively administer the District's recruitment and selection activities, training program, compensation system, and performance evaluation program.

Recommended changes to the duties of a class shall be submitted to the APCO for approval. The APCO shall submit recommended changes to the qualifications of a class to the Board for approval.

Maintaining the Classification Plan will include the following elements:

- (a) Analyzing and documenting the scope, duties, responsibilities, and job-related qualifications of positions to be classified
- (b) Grouping positions into job classes based on the similarities of work performed and the qualifications required.
- (c) Writing descriptions for each class of positions in order to define the positions and to serve as a guide in allocating and selecting individual positions to job classes.

5.2 NEW POSITIONS AND RECLASSIFICATIONS.

Whenever a new position is proposed, or an existing position is recommended for reclassification, the Personnel Section will conduct a job analysis which will include analyzing and documenting the scope, duties, responsibilities, and job-related qualifications of the position to be reclassified.

The Personnel Section will develop a new class description if a position cannot be reasonably grouped into an existing class based on the similarities of work performed and qualifications required.

The Personnel Section shall submit the new class description to the appropriate management staff and the APCO for approval. The APCO shall submit the new or revised class description and the supporting information and analysis to the Board for approval. Class descriptions which have been approved by the Board shall be disseminated to appropriate personnel.

5.3 CLASSIFICATION STUDIES.

- (a) The Board or the APCO may require that a salary classification study be conducted to evaluate individual positions or groups of positions, classes, or class series. The District shall not conduct any salary or classification survey affecting wages, hours, or working conditions in any represented classification without meeting and conferring with the Association.

- (b) When the District initiates a classification study affecting all classifications, the District will notify the Employees' Association ten (10) days in advance of a new classification plan becoming effective.
- (c) When the District initiates a modification affecting wages, hours, or working conditions in any represented classification, the District will notify the Employees' Association within ten (10) days or as soon as practicable in advance of such modification being proposed to the Board of Directors.
- (d) None of the recommendations resulting from the study are binding on the District. The Board may choose to implement, or not implement, any recommendation. Any changes resulting from a survey shall be incorporated as amendments to the Plan.

5.4 AMENDMENTS TO THE PLAN.

The classification plan may be amended from time to time by resolution of the Board.

The allocation of funds to a classification, or the necessity for filling a position will be at the discretion of the Board through the APCO.

5.5 ALTERNATE STAFFING.

A Division Director may request that a vacant position be filled at an "entry" Level I or an experienced "journey" Level II for those classes identified as alternately staffed classes in the class specifications, prior to recruiting for a vacancy, depending on the needs of the District.

Advancement to the Level II is not automatic; a supervisor must recommend to the APCO that an incumbent be promoted to Level II after successfully completing the probationary period, and obtaining and demonstrating the required knowledge, skills, abilities and experience, and meeting pre-identified criteria for promotion to the higher class. The Personnel Manager will review the request to determine if advancement criteria are met.

A Division Director may identify certain positions in the class which contain primarily routine and repetitive tasks as "regular" Level I positions. The "regular" or "entry" status of Level I positions will be determined prior to filling a vacancy so that an employee will know of this regular status prior to accepting the position. This determination will be so stated on the job announcement and the candidate will also be advised during the interview process. When a position is identified as a regular Level I position, the employee accepting the position cannot reasonably expect to advance to Level II while in that position.

SECTION 6 SALARIES

6.1 SALARIES.

Salary schedules are subject to revision from time to time by the Board. The salary schedules will be published yearly at or near the beginning of the fiscal year.

6.2 SALARY STEPS.

- (a) There are five (5) steps within the salary range for each position, with a 5% increment between the steps. The time between Entrance Step A and Step B is six (6) months of satisfactory service. The time between Step B and Step C is six (6) months of satisfactory service in Step B. The time between Step C and Step D is one (1) year of satisfactory service in Step C, and the time between Step D and Step E is one (1) year of satisfactory service in Step D.
- (b) An employee promoted to a higher position will receive the minimum salary for the higher position or at least a 5% increase above the employee's former position, whichever is higher, provided the increase is within the range of the higher position. If a promotion is awarded within thirty days of a scheduled step increase, the step increase and promotional increase will both be effective at the time of the change.
- (c) If a position is reclassified to a position having a higher salary range, the incumbent will remain in the same step of the salary range which is currently in effect.
- (d) If a position is reclassified to a position having a lower salary range, the incumbent will be Y-rated according to the provisions of Section III-6.5
- (e) If an employee is transferred, the employee will remain in the same step of the salary range effective prior to the transfer.
- (f) Any employee who has passed through the initial six month or, if extended, one year, probationary period with the District and who is promoted or transfers to another position in the District shall not be subject to any "up or out" probation. However, an employee may be terminated for cause.
- (g) If an employee is demoted for disciplinary reasons to a position having a lower salary range, the employee will remain in the same salary range step effective prior to the demotion.
- (h) If an employee is demoted because of lack of funds, the employee will be placed in the salary step which reflects the least decrease in salary. If an employee promoted to a higher class fails to pass a promotional probationary period, the employee will be returned to the former position and will revert back to the step in the salary range he/she occupied in the former position effective prior to promotion. Step increases will be awarded on the schedule appropriate to the prior position.

6.3 MERIT INCREASES. (Revised 12/21/94)

Merit increases are effective on the first day of the pay period in which the employee's anniversary date falls.

6.4 DETERMINATION OF SALARY RATES. (Revised 12/21/94)

- (a) ORIGINAL APPOINTMENTS. Unless special conditions warrant otherwise, employees will be hired at the entrance salary of the position classification. Hiring at a higher salary step will require justification from the hiring supervisor and the approval

of the APCO for Steps B and C. Recommendation by the APCO and approval of the Personnel Committee of the Board of Directors is required for hiring at Steps D and E.

- (b) **LIMITED-TERM EMPLOYMENT.** Limited-term employees of the District are paid at the rate of the classification in which the person is employed. If a former District employee is re-hired on a temporary basis, the salary rate will be the hourly rate of the range and step the individual was receiving at the time of separation. If it is necessary to hire a limited-term employee through a temporary agency, the District will pay the appropriate agency fees. **(Revised 3/6/96)**
- (c) **TEMPORARY EMPLOYMENT OVERLAP.** Temporary employment overlap is the regular hire of a person who is to fill a position before the current incumbent has terminated. The anniversary date and all other benefits will be the same as if the person were hired to fill a vacant position.

6.5 Y-RATING.

Y-Rating refers to a position which has been reclassified to a position having a lower salary range. The incumbent will retain his/her present salary until the appropriate step in the reclassified position is equal to or greater than the incumbent's current salary. A Y-Rating status must be approved by the APCO and the Board of Directors.

6.6 OVERTIME PAY/COMPENSATORY TIME.

Classifications in the Clerical and Technical Series identified in Section III-5.7 are entitled to overtime pay.

- (a) Overtime will be paid at a rate of one and one-half (1-1/2) times the normal straight time rate for work performed in excess of eight (8), nine (9), or ten (10) hours per day (depending on the person's normal schedule) or forty (40) hours per week. This provision does not apply to employees working a schedule other than those defined in Section III-8.1.
- (b) Upon approval by the employee's Division director, eligible employees may elect compensatory time at the rate of one and one-half (1-1/2) times the overtime worked in lieu of overtime pay but not accumulate more than 240 hours of compensatory time. After 240 hours of compensatory time has been accumulated, overtime pay will be the compensation for overtime work.
- (c) Employees required to work on a designated holiday shall receive overtime pay equal to two times the employees' hourly rate of pay. For the purposes of this section, a designated holiday shall be the dates on which the holiday is observed by the District (see Section III-11.12.), except that for New Year's Day, Independence Day and Christmas Day, the designated holiday shall include the actual date of the holiday and if any of these holidays fall on a Saturday or a Sunday, the Monday or Friday on which the holiday is observed by the District.

6.7 NIGHT PLUME EVALUATION TRAINING UNIT SCHEDULE.

Employees who attend the Night Plume Evaluation Training Unit special shift shall be paid an additional \$1.00 per hour for the whole shift in addition to the employees' regular straight time pay. The pay period will be a two-week period beginning on Sunday and ending on Saturday. Employees will be paid biweekly no later than the Friday following the close of a pay period. If the pay day falls on a holiday, warrants will be distributed on the previous work day. Start of the pay period will be adjusted for an employee working the compressed workweek. The District shall indicate on each employee's pay check stub the following: accrued annual leave, accrued sick leave, accrued compensatory time, and accrued floating holiday time.

The District shall provide employees with the option of direct deposit of their pay checks to those banks which provide this capability.

6.12 FINAL PAYMENTS. (Revised 7/20/94)

6.13 SALARY ADVANCES.

Employees may apply for a payroll advance:

- (a) The application will be accepted only after one week of a pay period has been worked.
- (b) The amount requested cannot exceed amount earned to date during the pay period.

- (c) The amount advanced must be deducted from the pay check for that pay period.
- (d) No more than two (2) such requests can be submitted annually. Exceptions may be approved by the APCO and must be announced to the Board under "Report of APCO".
- (e) Requests must be approved by the Director of Administrative Services.

6.14 ACTING APPOINTMENTS. (Revision Approved 12/04/96; Effective 12/04/96)

If an employee is appointed by the Air Pollution Control Officer to be acting in a higher paying job, the employee is to receive the salary during that job tenancy for the time period after the passage of fifteen (15) working days which the employee would receive if the appointment were permanent.

SECTION 7 EMPLOYMENT AND MERIT INCREASES

7.1 POLICY.

Employment, passing of a probationary period and merit increases are based solely on merit of the individual employee. No employee is guaranteed a continuation of employment or the receiving of future salary benefits.

7.2 ANNIVERSARY DATE.

The anniversary date for newly hired or promoted employees is the date of hire or date of promotion. The anniversary date will be used in determining when an employee receives salary increments. Annual leave credits and sick leave credits are accrued from original date of hire. For the purposes of annual and sick leave, five (5) consecutive days (or four (4) consecutive 10-hour days) worked in a pay period will constitute working a full pay period. There will be no prorating of time for annual or sick leave for less than this minimum time per pay period.

7.3 PROBATION PERIOD. (Revised 6/18/03)

The probationary period is the period of employment beginning with the anniversary date and continuing for one (1) year of full-time actual and cumulative service. Any unpaid leave time taken during this period shall extend the probationary period by the amount of actual leave taken. No acting or temporary service time shall count towards fulfillment of the probationary period. While serving in a probationary period, an employee may be terminated at any time from employment by the Executive Officer/APCO or the APCO without cause and has no right to appeal or grieve the action.

Employees who change positions prior to the successful completion of their probationary period shall be required to serve a new probationary period and will not receive credit for time already served under the former position.

The Executive Officer/APCO or the APCO may extend the probationary period for up to an additional six (6) months.

A formal performance evaluation will normally be given at least once during the probationary period, usually at 6 months. During the probationary period, an employee may have his/her merit increase denied or delayed at the discretion of the Executive Officer/APCO or the APCO and has no right to appeal or grieve the action.

7.4 PERFORMANCE EVALUATION.

Approximately two weeks before the first day of the month in which the anniversary date and the length of service makes the employee eligible for a step increase, the supervisor will complete a performance evaluation and sign a merit increase recommendation. Employees at

the top of the salary range will continue to be evaluated yearly. Performance evaluations are a continuing responsibility of each supervisor, and each supervisor will informally discuss employees' performance as often as necessary to ensure effective work performance.

7.5 **(Deleted 12/21/94. See III-6.3)**

SECTION 8 HOURS OF WORK

8.1 HOURS OF WORK. (Revision Approved 12/04/96; Effective 12/04/96)

A normal workweek shall consist of five (5) consecutive eight (8) hour days, Monday through Friday. The normal workday shall be scheduled over an eight and one-half (8-1/2) hour period from 8:30 am to 5:00 pm, with one-half (1/2) hour for meals. With the approval of Management, an employee's normal workweek and/or work day can be modified to allow for flextime hours or a compressed workweek. In such a case, appropriate adjustments will be made to recognize such a normal flex or compressed day/week.

An employee shall not work any time in excess of his or her approved work schedule without prior approval of the employee's supervisor, acting supervisor or other manager in the employee's chain of command.

When an employee is away from the employee's normal duty assignment for jury duty, an all-day or multi-day meeting, a conference or to take a District-authorized class, the employee shall only be paid for the hours representing the agency at, and travel time to and from, meetings or conferences, for the hours at, and travel time to and from, a class, or for the hours at jury duty and for any travel time between the location of the jury duty and the District office or the location of the employee's normal duty assignment.

The employee is expected to make up any time that would result in the employees working less than his or her normal workweek by altering the hours worked in the remaining days of the pay period. The schedule according to which any such time will be make up will be established in consultation with the employee's supervisor. With the approval of the employee's supervisor, an employee will receive overtime/compensatory time if the time consumed by the outside activity exceeds the employee's normal workday.

8.2 LUNCH PERIOD AND REST PERIOD.

- (a) Lunch period of one-half (1/2) hour is normally taken between 12:00 and 1:00 p.m.
- (b) Rest period of one-quarter (1/4) hour is normally taken in mid-morning and mid-afternoon.
- (c) Continuation of Business. An adequate number of employees may be assigned lunch and rest periods to ensure the continuation of business.

8.3 ATTENDANCE.

- (a) Supervisors will be responsible for the daily attendance record of each employee.
- (b) An employee who is tardy shall report to the employee's supervisor as promptly as possible after beginning work.
- (c) An employee must report unscheduled leave to the District within the first hour of the work day unless an emergency prevents such reporting.
 - (1) Failure to report may result in loss of pay for the period of absences from work.
 - (2) An employee who is absent without leave and without having reported his/her absence for more than one (1) working day may be considered to have resigned and may be terminated.

8.4 OVERTIME. (Revised 12/21/94)

For definitional purposes, overtime is the necessary, assigned and authorized time worked in excess of 40 hours in a seven day week or 8 hours worked in a 24 hour day. A normal work day begins at 8.30 a.m. and the normal workweek is Monday through Friday. (See Section III-8.5 for compressed workweek.)

The District will provide the services required by law with an emphasis on avoiding the necessity for overtime where possible. The District is under no obligation to assure anyone of the availability of overtime work, nor is the District obligated to treat any particular kind of assignment as overtime. Therefore, the District may adjust work schedules where possible to cover work assignments as straight time work assignments.

The District recognizes that not all work matters can be scheduled during a work shift, and consequently, legitimate overtime assignments will be compensated accordingly.

For the purposes of overtime assignments, a notice to an employee to work overtime is a notice in advance if the assignment is given more than 24 hours prior to the beginning of the work to be performed. Such assignments will be considered "scheduled" overtime. An assignment given less than 24 hours in advance will be considered an "unscheduled" assignments for call-back purposes. A call-back is the unscheduled, emergency, and authorized call-back to return to work after a regular shift has been completed.

The District will make every reasonable effort to notify employees of changes in work schedules 14 days in advance of the work to be performed.

Though work schedules for most employees are within the normal work day and normal workweek, groupings of employees may occasionally or regularly have work schedules at different times. The District reserves the right to continue to change work schedules to meet operational necessities during straight time shifts.

Travel time pay is only authorized for call-back assignments. Travel time and call-back time will be compensated at the applicable rate of pay. The time employees spend traveling to a work assignment, except for qualifying call-back assignments, is not to be paid regardless of whether the employee is traveling to a scheduled overtime or straight time assignment.

- (a) **Authorization** - Overtime is the necessary, assigned authorized time worked in excess of eight (8), nine (9), or ten (10) hours per day (depending on an individual's normal work schedule) or forty (40) hours per week. With regard to flex time or compressed work weeks, it is recognized that the standard work week may not be 40 hours. Any hours worked beyond whatever is necessary to fulfill the designated flex/compressed work week plan for an individual are designated as excess hours. These excess hours are to be paid as overtime or compensatory time at the rate of one and one-half times straight time.

For the purposes of this section, paid leave time shall be included in computing the forty hours per week when determining eligibility for overtime; provided, however, that an employee on a flex time or compressed schedule may, with supervisor's approval, modify a normal schedule in order to meet operational necessities, which modified schedule will then constitute a normal work time.

- (b) **Call-back** - Call-back is the unscheduled, authorized call back to work before or after but not connected to the normal workday. Compensation will be based on a minimum of two hours at the applicable rate of pay.
- (c) **Travel Time** - For a call-back which is not directly connected to the beginning or ending of a normal shift, the employee will receive compensation from the time the employee leaves home until the employee returns home (travel time) at the applicable rate of pay.

- (d) **Distribution of Overtime** - Overtime, other than call-back, will be distributed in the following manner, consistent with District operating requirements:
- (1) When overtime is required to complete an assignment, the person given the assignment will normally continue the work.
 - (2) When unscheduled overtime is required in a supervisor's area (or an extended coverage area) to conduct an additional assignment, employees working for a supervisor (or working in an extended coverage area) will be asked first whether they wish to volunteer for the overtime work. If two or more people volunteer for the assignment, the assignment will be made based on a rotating overtime assignment schedule starting with the most senior person in the work group. If no one volunteers for the assignment, a supervisor may select an individual through the use of a lottery system or, at the discretion of management, the supervisor may select in the order of inverse seniority. Any and all of the above methods may be used to establish an order of rotation for the purposes of distribution of overtime.
 - (3) On continuing extended, overtime assignments, coverage will be assigned on a rotating basis.
 - (4) All overtime assignments will be made with due consideration for employee hardship.
 - (5) Seniority, for the purposes of overtime assignments only, is determined by the time an employee has held the position for which the overtime assignment is required.
 - (6) The District reserves the right to approve, or disapprove, all assignments with due consideration of safe work hours and excessive work schedules.
 - (7) Limited-term employees shall not be offered the opportunity to work overtime hours without first offering the overtime hours to that supervisor's regular employees and allowing those employees to decline the overtime hours.
- (e) **Distribution of Call-back**
- (1) Call-back will be distributed in the following manner:
 - (2) When call-back is required, the person normally responsible for the assignment will be given first opportunity of call-back.
 - (3) If the person normally responsible for the assignment is unavailable for call-back, then the immediate supervisor will be responsible for the assigning of call-back to other employees in the same position.
 - (4) If the immediate supervisor is unavailable for call-back, then the alternate supervisor, manager or division director will be responsible for the assignment of callback.
 - (5) The District maintains the option to deviate from this procedure based upon immediate need.

8.5 COMPRESSED WORKWEEK. (Revision Approved 12/04/96; Effective 12/04/96)

Employees may request, subject to discretionary approvals of the immediate supervisor through the Division Director, to work a compressed workweek schedule. Compressed workweek approval shall be subject to such terms and conditions, and shall be subject to renewal annually or at such other intervals, as is deemed necessary by the Division Director to meet the operational needs of the Division. Compressed workweek approval may be

withdrawn at any time in order to meet the operational needs of the District, and employees who fail to maintain an acceptable level of performance and productivity will be withdrawn from a compressed workweek schedule.

A compressed workweek schedule will consist of either four 10-hour days, or eight 9-hour days and one 8-hour day every two weeks. Work hours on a compressed schedule will commence not earlier than 7:00 AM and not later than 9:00 AM. However, exceptions to this rule may be approved at the discretion of the Division Director. Employees who work a compressed workweek schedule will have the start of the workweek adjusted for the purpose of computing overtime.

When a scheduled District holiday falls on a compressed work day, the employee working a compressed schedule shall only receive credit for eight hours of holiday pay. The employee shall take the additional time off on that holiday as annual leave or as a floating holiday, or the employee shall make up the additional time off by altering the hours worked in the remaining days of the pay period in consultation with the employee's supervisor.

8.6 FLEXIBLE WORK SCHEDULE. (Revision Approved 12/04/96; Effective 12/04/96)

Employees may request, subject to discretionary approvals of the immediate supervisor through the Division Director, to work a flexible work schedule. Flexible workweek approval shall be subject to such terms and conditions, and shall be subject to renewal annually or at such other intervals, as is deemed necessary by the Division Director to meet the operational needs of the Division. Approval of a flexible work schedule may be withdrawn at any time in order to meet the operational needs of the District, and employees who fail to maintain an acceptable level of performance and productivity will be withdrawn from a flexible work schedule.

Employees on a flexible schedule will normally work a five day workweek, and may adjust their starting time to commence not earlier than 7:00 AM and not later than 9:00 AM, with the shift ending eight and one-half hours later. However, exceptions to this rule may be approved at the discretion of the Division Director.

A flexible work schedule will be determined by management considering the operational needs of the District.

8.7 PART-TIME AND JOB SHARING. (Revision Approved 12/04/96; Effective 12/04/96)

Employees may request a reduced workweek schedule or a job share arrangement. All requests will be reviewed by management considering the operational needs of the District, employee hardship or family responsibilities. Appropriate salary adjustments and benefit eligibility will be determined based on the hours worked. The APCO may, at his or her discretion, authorize or discontinue a part-time or job share arrangement.

8.8 TELECOMMUTING. (Revision Approved 12/04/96; Effective 12/04/96)

Telecommuting is a working arrangement in which an employee sometimes works away from the District's central office. An employee may apply to telecommute, subject to approvals of the immediate supervisor through the Division Director. Telecommuting is a privilege which the District has the right to refuse or to terminate at any time. An employee also has the right to refuse to telecommute or to withdraw from the program at any time. Approval to telecommute shall be subject to such terms and conditions, and shall be subject to renewal annually or at such other interval, as is deemed necessary by the Division Director to meet the operational needs of the division. Employees who fail to maintain an acceptable level of performance and productivity will be withdrawn from telecommute status.

Telecommuting is voluntary, and should be mutually beneficial to both the employee and the District. An employee's choice to telecommute or not shall have no adverse effects with

regard to advancement or any other aspect of the employee's standing. An employee approved to telecommute will be required to read and sign the Telecommuting Agreement.

All pay, compensation, and normal employee benefits shall be identical whether an employee telecommutes or works at the central office. There will be no diminution from the norm in either an employee's work products or hours when the employee telecommutes.

The telecommuting employee will not provide primary care to others during at-home working hours. Telecommuters must be available to come to the office if requested to do so.

The employee and the employee's supervisor will establish terms of availability or access to the employee while away from the office. In all cases, telecommuters shall make provisions that provide sufficient communication with the office and the public to meet District Goals. The number of days per week on which an employee may be authorized to telecommute shall be at the discretion of the employee's Division Director.

Supervisors who telecommute shall make provisions for adequate supervision of staff while the supervisor is away from the office.

In addition to regularly scheduled telecommuting arrangements, other employees may apply to telecommute on an episodic basis for limited time periods.

Telecommuters are required to provide whatever equipment is necessary to do their job as well at their home in the same manner as if they were in the central office. The employee is responsible for the purchase and maintenance of all equipment (both hardware and software).

The District will provide training to both telecommuting employees and their supervisors. The District will also sponsor focus groups for the telecommuters and their supervisors on an as-needed basis.

SECTION 9 SEPARATIONS

9.1 RESIGNATION.

expiration of that term (unless the employee has return rights to a prior position pursuant to Section III-3.3(d) or said term is extended by the identified appointing authority. Except as expressly provided in Section III-3.3 (d), individuals separated from a position in the classification identified in Section III-3.3(c) shall have no right to return to any other District position, regardless of seniority or tenure.

9.3. LAY-OFF AND RECALL.

When a reduction in work force becomes necessary for any reason such as lack of funds or lack of work, the following steps in the layoff and recall procedure will be followed:

- (a) Layoffs within a classification will be in reverse order of District employment seniority. (For the purpose of this Section, District employment seniority is the seniority gained based on overall employment with the District).
- (b) An employee (A) who is to be laid off may displace an employee (B) within a similar or lower paying classification provided:
 - (1) Employee (A) has held a position in the classification in question or if employee (A) has not held a position in the classification, holds a position in one of the identifiable job clusters class series and,

- (e) If a policy of layoff by reverse seniority is held to be contrary to the principles of equal opportunity employment or affirmative action by virtue of adjudication by a court of competent jurisdiction or by legislative determination, then this Section shall be void, and the parties hereto shall meet and confer regarding a new and legally acceptable policy at the earliest practicable time.
- (f) To the extent possible, the District will attempt to give an employee 30 days written notice prior to the effective layoff date.

Employees wishing to take educational or other professional courses must obtain prior approval from the District's Personnel Manager before taking the course in order to be reimbursed.
 - (3) Upon proof of completion of a course (grade "C" or better, "pass", "credit", or other indication of satisfactory completion of the course) the District will reimburse the employee for the course cost and related materials (books, required supplies, lab fees, etc.) up to the prescribed limit.
- (c) **SKILLS ENHANCEMENT PURSUITS**
- (1) For the purposes of this section "skills enhancement educational pursuits" is defined to include educational courses and other skills enhancement courses that may or may not be related to an employee's current position, but reasonably relate to the District's work in general and will enhance an employee's skills and may allow for further advancement or promotion at the District.
 - (2) The District shall yearly apportion an amount to allow for reimbursements per employee for those employees who attend and successfully complete skills enhancement courses. Such reimbursement will be paid upon proof of completion in any approved course. Employees wishing to take skills enhancement courses must obtain prior approval from the District's Personnel Manager before taking the course in order to be reimbursed.
 - (3) Upon proof of completion of a course (grade "C" or better, "pass", "credit", or other indication of satisfactory completion of the course) the District will reimburse the employee for the course cost and related materials (books, required supplies, lab fees, etc.) up to the prescribed limit.

10.17 DEPENDENT CARE ASSISTANCE PLAN AND MEDICAL CARE REIMBURSEMENT ACCOUNT PLANS. (Revised 10/1/03)

The District's Dependent Care Assistance Plan allows employees to set aside pre-tax dollars to pay for eligible expenses for dependent care. The Medical Care Reimbursement Account plan allows employees to set aside pre-tax dollars to pay for eligible medical expenses that are not covered by medical, dental, and vision insurance benefits.

10.18 SOCIAL SECURITY REPLACEMENT BENEFITS.

- (a) The District's Board of Directors has adopted and implemented a package of benefits designed to replace to the fullest extent possible those benefits formerly provided under the employer-employee jointly funded federal program commonly known as Social Security. These replacement benefits include the following:
 - (1) Special retirement and disability benefits under PERS. (See Resolution No. 1289, December 17, 1980.)
 - (2) Life insurance coverage for employees is as specified in the contracts. The contracts are available in the Personnel Office.
 - (3) A portion of long term disability coverage at the level of 66 2/3% of monthly salary to a maximum benefit of \$4,000. **(Revised 3/6/96)**
 - (4) Qualified pension plan contribution of \$62.50 per month credited to each full-time regular employee's account. (See Resolution No. 1345, August 5, 1981.)
- (b) It is the intention of the Board of Directors that the cost of these benefits in subsequent years be less than and in no event exceed the amount which would have been required

as the employer contribution to Social Security. It is further the intention of the Board that contributions to the qualified pension plan be reduced if necessary to accomplish the cost-limit objective.

- (c) The Board specifically reserves the right, subject to meet and confer to adjust and alter the benefits described above so as to achieve a result which most effectively meets the needs of employees in an equitable manner without adding costs to the District.

10.20

GUARANTEED RIDE HOME (GRH). (Revised 7/20/94)

The District shall provide a Guaranteed Ride Home (GRH) to all employees who contribute to the District's Employer Based Trip Reduction (EBTR) goals.

A Guaranteed Ride Home is one of the following:

- (a) Reimbursement for use of the fare for mass transit between the District and the employee's home.
- (b) If the employee's commute does not reasonably accommodate mass transit, the employee may use a pool vehicle from the employee's Division vehicle pool, if one is available. "Reasonably Accommodate" means that use of mass transit will require no more than one transfer between transit vehicles (SF Muni to BART does not count as a transfer), and that the employee expects to leave the office before 7:00 PM or 1 hour after sundown (whichever is later). The vehicle will be returned to the pool coordinator on the employee's next working day.
- (c) If the employee's commute does not reasonably accommodate mass transit, and if there are no available vehicles in the employee's Division vehicle pool, the employee may use a pool vehicle from the District vehicle pool, if one is available. The vehicle will be returned to the Facilities Manager on the employee's next working day.

In order to contribute to the District's EBTR goals, an employee must commit to routine use of an alternative means of commuting to the District by submitting a certification ("GRH Certificate") to the District Transit coordinator. The GRH Certificate must indicate whether or not the employee's commute reasonably accommodates the use of transit. Routine use means use of one or more of the following commute methods as the principal means of transportation for both in-bound and out-bound commute trips at least ten times per month:

- (d) Carpool or rideshare, where the vehicle contains three or more occupants.
- (e) Mass transit.
- (f) Emission-free transportation (walking, jogging, bicycling).

An employee may use a Guaranteed Ride Home for any of the following reasons:

- (g) The employee has a family emergency that requires the employee to leave work early.
- (h) The employee is required to work unscheduled overtime.
- (i) The employee is unable to complete the trip home due to a breakdown of the employee's normal mode of transport.
- (j) The employee has received an on-the-job injury that prevents the employee from reasonably using the normal method of transportation.
- (k) The employee's carpool has left early or late due to one of the above circumstances.

The procedure for using a Guaranteed Ride Home is as follows:

- (l) For transit reimbursement, the employee shall request reimbursement on his/her first working day following use of a Guaranteed Ride Home.

- (m) For use of a pool vehicle, the employee shall contact the Division Pool Coordinator to determine whether or not a Division Pool Vehicle is available; if not, the employee shall contact the Facilities Manager to determine whether or not a District pool vehicle is available.

The pool coordinator or Facility Manager shall verify that the Employee has submitted a GRH Certificate to the Transit coordinator; if so, a vehicle will be provided to the employee if one is available.

The employee shall make sure that the vehicle will not be locked up when needed.

The employee shall return the vehicle and the keys on his/her next working day.

- (n) On the his/her first working day following use of a Guaranteed Ride Home, the employee shall submit to the Transit Coordinator a memorandum describing the form(s) of transit taken, the fare(s) paid, and the qualifying reason for the Ride Home.

SECTION 11 LEAVE AND HOLIDAYS

11.1 ANNUAL LEAVE.

- (a) An employee will earn annual leave credits at the rate of 3.69 hours per pay period (approximately one day per month) for the first three years of employment. Annual leave will accrue but cannot be taken until the successful completion of six months' service. If an employee's annual leave accrual rate changes during a pay period, the new rate will be credited from the first day of that period. **(Revised 12/21/94)**
- (b) An employee with more than three and up to five years of employment will earn annual leave at the rate of 4.64 hours per pay period (approximately 1-1/4 days per month).
- (c) An employee with more than five and up to ten years of employment will earn annual leave at the rate of 5.52 hours per day period (approximately 1-1/2 days per month).
- (d) An employee with ten years or more of employment will earn annual leave at the rate of 6.48 hours per pay period (approximately 1-3/4 days per month).
- (e) An employee with more than twenty years and up to thirty years of employment will earn annual leave at the rate of 7.69 hours per pay period (approximately 2 days per month). **(Revision Approved 6/19/96; Effective 7/01/96)**
- (f) An employee with thirty or more years of employment will earn annual leave at the rate of 9.23 hours per pay period (approximately 2-1/2 days per month).
- (g) Annual leave will be normally scheduled in advance by the employee's immediate supervisor, in consideration of the operating requirements of the section and the division. However, in an emergency situation, annual leave will be authorized so long as the employee's immediate supervisor is notified in advance.
- (h) The maximum accumulation of annual leave is forty (40) working days as of the end of the calendar year. Use of annual leave of more than twenty (20) days must be scheduled and approved by the Air Pollution Control Officer.
- (i) For the purposes of determining the rate of annual leave, accumulated service within the District will be used less any time for leave of absence in excess of two pay periods.
- (j) If a pay day falls during an employee's vacation, the employee may receive a partial pay warrant for the pay period. The employee may pick up the warrant three (3) days prior to beginning vacation, provided two weeks' notice is given to the payroll clerk.

11.2 SICK LEAVE.

- (a) Coverage - Sick leave is granted leave to cover authorized absence by an employee unable to work for any of the following reasons:
 - (1) Personal injury or illness, pregnancy, childbirth, or pregnancy-related disability.
 - (2) Exposure to contagious disease requiring quarantine.
 - (3) When the employee is required to attend to a member of the immediate family for reason stated in (1) above, to a maximum of ten (10) days per year.
(Revised 9/6/95)
 - (4) For the purpose of this section, immediate family will include: mother, father, spouse, domestic partner, children, brother, sister, grandparents and grandchildren of the employee, relatives by marriage including mother-, father-, brother-, sister-, son-, and daughter-in-law, and the following domestic partner loved ones: mother, father, brother, sister, son and daughter. **(Revision Approved 12/04/96; Effective 12/04/96)**
 - (5) Appointments for dental, eye, and other medical examinations.
- (b) Allowance - Employees will earn sick leave at the rate of 3.69 hours per pay period. There is no limit to the amount of sick leave which may be accumulated. Employees are eligible to use sick leave as it is earned.
- (c) Coordination with State Disability Insurance - Sick leave will be integrated with State Disability Insurance as soon as eligibility for such benefits is established.
- (d) Job-Related Injury - Employees injured on the job and accepted for Workers' Compensation will not be required to use sick leave for the period from the 1st through the 90th calendar day. This period will begin the day following the date of injury or the date Workers' Compensation approved the absence from work, whichever date begins the absence from work. The period will apply only once per injury. The date of injury will be paid as a day worked for pay purposes.
- (e) Holiday During a Sick Leave Period - If a holiday occurs during a continuous period of authorized sick leave, the holiday will not be counted as a day of sick leave.
- (f) Blood Donations - Employees may take up to two (2) hours to donate blood to the District's account or to a specific person's account to a maximum of twice a year without loss of sick leave credits. Such leave must be approved in advance and consistent with District operating requirements.

11.3. BEREAVEMENT LEAVE.

- (a) When a death occurs in the immediate family of an employee, the employee may take three consecutive days off, counting the day of the funeral, without loss of pay.
- (b) If the employee is the family member required to make the family arrangements for the funeral and burial (or equivalent ceremony), the employee may take up to five (5) days off without loss of pay to make such arrangements. Such time shall include all time for travel.
- (c) For the purpose of this Article, immediate family is defined the same as in Section III-11.2(a)(4).

11.4 TEMPORARY DISABILITY LEAVE. (Revised 12/21/94)

An employee who becomes temporarily disabled for valid medical reasons including illness, injury, or other medical reasons (other than pregnancy), is entitled to a temporary disability

leave for any period of actual disability for up to a total of six (6) months. Leave in excess of six (6) months may be granted under a leave of absence (see Section 11.8 below).

Before taking unpaid leave, the employee must use all available sick leave except for 80 hours that may be retained or used at the employee's discretion. An employee has the option to use his/her accrued annual leave and floating holiday leave during the disability period. State Disability Insurance benefits received by the employee will be converted to sick leave hours and credited to the employee's sick leave accrual balance. Sick leave and annual leave compensation will be coordinated with State Disability Insurance benefits.

Temporary disability leave grants the employee rights to return to the same position the employee held prior to the leave, or to a comparable position in the same job classification and at the same pay grade.

An employee on temporary disability leave continues to receive benefits described in Section 10, except that an employee on temporary disability leave without pay for 80 hours or more during a fiscal year will not accrue annual or sick leave, receive transit subsidy, or receive educational reimbursement, unless the course was approved prior to the commencement of the leave. However, an employee will continue to accrue annual and sick leave if on temporary disability leave due to an injury sustained while on the job, provided that the period of the leave is covered by an approved Worker's Compensation claim. Employee and employer contributions to PERS are not paid during unpaid portions of temporary disability leave. Temporary disability leave is not considered a break in service.

To enable an employee who is temporarily disabled to return to work as soon as possible, the employee may request a transfer to a less hazardous or strenuous position for the duration of the disability. The APCO will grant such a request if it can be reasonably accommodated. The request for a transfer must be based on the advice of the employee's health care provider.

Temporary disability leave, unlike pregnancy disability leave, runs concurrently with leave taken under the Family Care and Medical Leave provision of Section 11.7 below.

An employee who plans to take a disability leave must give reasonable notice of the date the leave will commence and the estimated duration of the leave. The employee shall provide a medical certification from the employee's health care provider to the Personnel Section within one week after the commencement of any temporary disability leave, and shall provide a supplemental medical certification at least once every four weeks thereafter. In the case of a severe or extended illness, the APCO may waive the requirement to provide supplemental medical certifications.

11.5 MILITARY LEAVE. (Revised 1/6/10)

Military leave is governed by the Military and Veterans Code of the State of California and the federal Uniformed Services Employment and Reemployment Rights Act.

11.6 LEAVE WITHOUT PAY. (Revised 12/21/94)

Regular full-time or part-time and probationary employees may be granted a leave without pay for non-medical reasons. Such leave will be granted at the discretion of the APCO.

Leave may be granted for any period of time up to thirty (30) calendar days and may be extended for one (1) to ten (10) additional working days. A working day is any day that the District office is open for business. A return to work of one full day is considered as ending a leave period. Additional time after this day will be requested as a new and separate leave.

An employee on leave without pay continues to receive benefits described in Section 10, except that an employee on leave without pay for more than 80 hours during a fiscal year will not accrue annual or sick leave for the period of leave without pay in excess of 80 hours, and will not receive transit subsidy, or receive educational reimbursement, unless the course was approved prior to the commencement of the leave. Employee and employer contributions to

PERS are not paid during leave without pay. A leave without pay is not considered as a break in service, and the employee is assured return to the same position, or to a comparable position in the same job classification and at the same pay grade.

11.7 FAMILY CARE AND MEDICAL LEAVE. (Revised 1/6/10)

Reasons for Taking Family Care and Medical Leave

Eligible employees can take Family Care and Medical Leave for any of the following reasons:

1. Birth of an employee's child.
2. Placement of a child with an employee for adoption or foster care.
3. Due to the employee's own serious health condition.
4. To care for a spouse, domestic partner, child or parent with a serious health condition.
5. Due to a qualifying exigency arising out of the fact an employee's spouse, domestic partner, child or parent is on active military duty or has been notified of an impending order to active duty ("Qualifying exigency leave").
6. To care for a current member of the Armed Forces, National Guard or Reserves who has a serious injury or illness if the employee is the spouse, domestic partner, child, parent or next of kin of the servicemember ("Military caregiver leave").

Amount of Leave

Eligible full-time employees are entitled to up to 12 workweeks (480 hours) of family care and medical leave in a 12 month period when the leave is taken for reasons 1 through 5 above. The 12 month period begins on the first date family care and medical leave is taken.

Eligible full-time employees are entitled to up to 26 workweeks (1040 hours) of military caregiver leave within a single 12 month period. Unlike other types of family medical leave, military caregiver leave is a one time entitlement only; it does not renew annually.

An eligible employee may combine military caregiver leave with traditional family medical leave during a single 12 month period; however, the employee is limited to taking a maximum of 26 weeks of leave in such circumstances.

Intermittent or Reduced Schedule Leave

When necessary, family care and medical leave may be taken intermittently or the employee may be authorized to work on a reduced schedule. The District may require the employee to provide certification supporting the need for intermittent or reduced schedule leave. Employees are required to make a reasonable effort to schedule intermittent leave so as not to disrupt the District's operations.

When an employee is taking intermittent leave or working a reduced schedule, the employee may be transferred to an alternate position, with equivalent pay and benefits, that accommodates the periods of leave better than the employee's regular position.

Earned benefits shall be reduced for an employee with a reduced work schedule, if the reduction is one which is normally made for part-time employees.

Eligibility

An employee is eligible for family care and medical leave if he or she has been employed by the District for at least 12 months and has performed work for at least 1250 hours during the 12 months preceding the leave period.

An employee who works part-time is eligible for family care and medical leave if he or she has been employed for at least 12 months. For eligibility purposes, the hours of work performed for by a part-time employee will be calculated on a pro-rata or proportional basis.

Leave entitlement is equal to the sum of work hours and paid leave, including paid or unpaid pregnancy disability leave, during the twelve week period immediately preceding the first request for family care and medical leave, to a maximum of 480 hours.

Use of Accruals

Family care and medical leave is unpaid

An employee who is taking family care and medical leave to care for an eligible family member, for the birth or placement of a child, or for a qualifying exigency must use all accrued annual leave and floating holidays, except for 80 hours that may be retained or used at the employee's discretion. An employee may also use sick leave in an amount not less than the sick leave that would accrue during six months of the employee's current rate of entitlement when leave is taken to care for an ill family member.

An employee who is taking leave due to the employee's own serious health condition must use all available sick leave, except for 80 hours that may be retained or used at the employee's discretion. The employee is not required, but may choose to, use accrued annual leave and floating holidays during the leave.

Use of paid leave accruals during otherwise unpaid family care and medical leave does not increase the amount of leave available to an employee.

Notice

If possible, the employee must provide the District with at least 30 days' notice before the leave begins. If this is not possible, the employee must provide as much notice as is practicable.

To the extent that the employee's absence is the result of planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as to avoid undue disruption of the District's operations.

Certification

An employee will be required to submit a certification to the division director supporting the need for family care and medical leave. The content of the certification is dependent upon the type of leave being taken as described below.

- (a) For employee's own serious health condition: The certificate shall state (1) the date on which the serious health condition began; (2) the probable duration of the condition; and (3) a statement that due to the serious health condition the employee is unable to perform one or more of the essential functions of his or her position. If intermittent or reduced schedule leave is sought, the certificate must also indicate the medical necessity for the intermittent or reduced schedule leave and its expected duration.
- (5) For family member's serious health condition: The certificate shall state (1) the date on which the serious health condition began; (2) the probable duration of the condition; (3) the amount of time needed to care for the family member; and (4) a statement that the family member's condition warrants the participation of the employee to provide care. If intermittent or reduced schedule leave is sought, the certificate must also indicate that such leave is necessary for the care of the family member and the expected duration of the intermittent or reduced schedule leave.
- (6) For qualifying exigency leave: The certificate shall state (1) the name of the covered military member; (2) the employee's relationship to the military member; (3) a statement describing the reason for requesting qualifying exigency leave and any related supporting documentation; (4) the date on which the leave will commence; and (5) the probable duration of the leave. If intermittent or reduced schedule leave is sought, the certificate must also indicate the anticipated frequency and duration of such

leave. The employee may also be required to provide a copy of the military member's active duty orders.

- (7) For military caregiver leave:
1. An employee may be required to provide a certificate containing the following information: (1) the name of the servicemember; (2) the relationship of the employee to the servicemember; (3) whether the servicemember is a current member of the Armed Forces, National Guard or Reserves; (4) whether the servicemember is assigned to a military medical facility and the name of such facility; (5) whether the servicemember is on the temporary disability retired list; (6) a description of the care to be provided to the servicemember; and (7) an estimate of the duration of the leave.
 2. An employee may also be required to provide a certificate from an authorized health care provider setting forth the following: (1) whether the servicemember's injury or illness was incurred in the line of duty on active duty; (2) the date on which the injury or illness began and its probable duration; (3) whether the injury or illness renders the servicemember unfit to perform his or her duties; (4) whether the servicemember is receiving medical treatment, recuperation or therapy; (5) information sufficient to establish that the servicemember is in need of care; and (6) the estimated duration of the need for care. If intermittent or reduced schedule leave is sought, the certificate must also indicate that such leave is necessary for the care of the family member and the expected duration of the intermittent or reduced schedule leave. Health care providers authorized to provide this certificate include a U.S. Department of Defense (DOD) health care provider, a U.S. Department of Veterans Affairs health care provider, a DOD TRICARE network health care provider, or a DOD non-network TRICARE health care provider.
 3. In lieu of certification forms containing the information set forth above, the District will accept Invitational Travel Orders (ITOs) or Invitational Travel Authorizations (ITAs) issued to a family member of a servicemember.

All certificates will be maintained in a confidential file in the Personnel Section.

Benefits

Family care and medical leave will not be considered a break in service. An employee will continue to receive benefits, except that an employee on unpaid family care and medical leave for 80 hours or more during a fiscal year will not accrue annual and sick leave, receive transit, subsidy, or receive education reimbursement, unless the course was approved prior to the commencement of the leave. Employee and employer contributions to PERS are not paid during unpaid portions of family care and medical leave.

Reinstatement

Employees returning from family care and medical leave will be reinstated in the same position, or to a comparable position in the same job classification and at the same pay grade.

An employee who takes leave for his or her own serious health condition may be required to produce a fitness for duty certification prior to returning to work.

Limitations on leave taken after the birth or placement of a child

Entitlement to this leave expires at the end of the 12-month period beginning on the date of the birth or placement of the child.

If both parents are employed by the District, the aggregate number of hours to which they both are entitled is the larger of their individual entitlements.

Important Definitions

Child:

For purposes of leave taken for birth or placement of a child or to care for a family member with a serious health condition, “child” means a biological, adopted, foster child, stepchild, legal ward, or a child for whom the employee is acting as a parent. The child must be under 18 years old or over 18 and incapable of self-care due to a physical or mental disability.

For purposes of military caregiver or qualifying exigency leave, “child” is a biological, adopted, foster child, stepchild, legal ward, or a child for whom the employee is acting as a parent who is of any age.

Next of Kin: For purposes of military caregiver leave, “next of kin” means the nearest blood relative other than the servicemember’s spouse, domestic partner, parent or child, in the following order: blood relatives who have been granted legal custody of the servicemember by court decree, siblings, grandparents, aunts and uncles, and first cousins, unless the servicemember has designated in writing another person as his or her nearest blood relative.

Serious Health Condition: An illness, injury, impairment, or physical or mental condition that involves either inpatient care in a hospital, hospice or residential health care facility, or continuing treatment or supervision by a health care provider.

Interaction with Pregnancy Disability Leave

Pregnancy disability leave, as described in Section 11.9, may be taken in addition to family care and medical leave, and is not subtracted from the family care and medical leave entitlement. However, any other form of leave (including sick leave and temporary disability leave) which is taken for the purposes of allowed under this Section 11.7, whether paid or unpaid, will be subtracted from the family care and medical leave entitlement. There is no need for the employee or the child to have a serious health condition, nor is it required that an employee continue to be disabled by her pregnancy, childbirth or any related medical condition before taking family care and medical leave in the year following the birth or adoption of a child.

In addition to the leave allowed under this Section 11.7, an employee may be entitled to additional leave time pursuant to Section 11.4 above due to the employee’s disability. The APCO may also grant additional leave without pay pursuant to Section 11.6 above or a leave of absence pursuant to Section 11.8 below.

11.8 LEAVE OF ABSENCE. (Revised 12/21/94)

- (a) Leave of absence may be granted for non-medical reasons or to continue a medical leave for a maximum of six (6) months by the APCO. A consecutive leave of absence may be granted but in no case for a total of more than twelve (12) months for any employee.

No annual or sick leave credits are earned during leaves of absence. An employee on a medical leave of absence continues to receive benefits described in Section 10, except that an employee on leave of absence shall not receive transit subsidy, or receive educational reimbursement, unless the course was approved prior to the commencement of the leave. Employee and employer contributions to PERS are not paid during unpaid leaves of absence. An employee on a leave of absence for non-medical reasons receives none of the benefits described in Section 10. A leave of absence for non-medical reasons is considered a break in service, and the position vacated by this leave may be open for recruitment of a regular employee.

- (b) Return after unexpired leave. Granting a leave of absence will permit the return of the employee to District employment before the expiration of the leave of absence under the following conditions.

- (1) The employee will have preference for re-employment in the same classification or at another lower classification for which the person is qualified, provided the position is vacant.
- (2) Leave of absence does not confer any absolute right to return to position or employment.
- (3) Employee time in-grade for salary increase will be preserved, at the same level.
- (4) Accrued pension rights and pension time will be preserved.

11.9 PREGNANCY DISABILITY LEAVE. (Revised 12/21/94)

An employee is eligible to take pregnancy disability leave for any period of actual disability caused by pregnancy, childbirth or any related medical conditions for up to 88 working days per pregnancy. Leave in excess of 88 working days may be granted for up to an additional two months as temporary disability leave under Section 11.4 above, under family care and medical leave under Section 11.7 above, as leave without pay under Section 11.6 above, or as a leave of absence under Section 11.8 above. A working day is any day that the District Office is open for business. The leave can be taken before or after birth, or intermittently for any period of time an employee is unable to work because of the pregnancy or pregnancy-related condition.

An employee has the option to use her accrued annual leave, sick leave and floating holiday leave during the disability period. Sick leave and annual leave compensation will be coordinated with State Disability Insurance benefits. State Disability Insurance benefits received by the employee will be converted to sick leave hours and credited to the employee's sick leave accrual balance.

Pregnancy disability leave grants the employee the right to return to the same position the employee held prior to the leave. An employee on pregnancy disability leave continues to receive benefits described in Section 10, except that an employee on pregnancy disability leave without pay will not receive transit subsidy or receive educational reimbursement, unless the course was approved prior to commencement of the leave. Employee and employer contributions to PERS are not paid during unpaid portions of pregnancy disability leave. Pregnancy disability leave is not considered a break in service.

An employee who is temporarily disabled because of pregnancy or a pregnancy-related condition may request a transfer to a less hazardous or strenuous position for the duration of the disability. The APCO will grant such a request if it can be reasonably accommodated. The request for a transfer must be based on the advice of the employee's health care provider.

Pregnancy disability leave is in addition to leave granted under the family care and medical leave provision of Section 11.7 above. At the end of an employee's period of pregnancy disability leave, the employee may request to take family care and medical leave, if the child has been born by this date.

An employee who plans to take a pregnancy disability leave must give reasonable notice of the date the leave will commence and the estimated duration of the leave. To continue this leave beyond the first six weeks after birth, the employee shall provide a medical certification of the disability from the employee's health care provider to the Personnel Section by the end of the seventh week after birth, and shall provide a supplemental medical certification at least once every four weeks thereafter unless the APCO waives the requirement to provide such supplemental medical certifications.

11.10 GRANTING A LEAVE FROM WORK. (Renumbered 12/21/94)

No leave provision mentioned above is granted automatically, but must be applied for and approved before the provisions for such leave are applicable. The APCO may reject a request for such leave for justifiable reason.

11.11 JURY DUTY. (Renumbered 12/21/94)

Any employee of the District summoned to serve on a jury shall be entitled to regular pay provided the employee deposits the fees for service with the District Director of Administrative Services (except any mileage reimbursement).

11.12 SUBPOENA AS A WITNESS. (Renumbered 12/21/94)

Any employee of the District subpoenaed as a witness shall be entitled to regular pay provided the employee deposits the fees for services with the District's Director of Administrative Services.
